Merritt gets \$750,000 flood mitigation grant

Merritt is one of 18 communities approved to receive a share of more than \$12 million in provincial emergency preparedness funding to support structural flood mitigation projects. The City will receive \$750,000 for its Voght St structural flood mitigation project. Funding for the structural flood project component of CEPF was announced at the September 2017 convention of the UBCM.

Thoughts from outside the box

Love & happiness

Did you know... Happy or loving thoughts increase a person's magnetic field, and a strong magnetic field strengthens a person's spiritual, mental, and physical health. Moreover, projecting love at another will enhance the other's magnetic field. I personally experimented with this happening using dowsing rods, while at the supposed "Center of the Universe", located near Kamloops, B.C., Canada. The increase in another's field can be very significant. The person I experimented with pushed loved in my direction and my field increased by six-fold.

Happiness and love have a power we cannot see, so please my friends, stay happy, be in love, and send those in need of healing your love vibes.
