Merritt
FLOURISH UNDER THE SUN

How to protect yourself

We encourage you to follow

the same procedures as what is recommended during cold and flu season:

- Stay home if you get sick and limit contact with others to keep from infecting them.
- Wash hands regularly with soap and water. This is the single most effective way of reducing infection spread.
- Avoid touching your eyes, nose or mouth. Germs spread that way.
- Cover your mouth and nose with a sleeve/tissue and turn your head away from others when coughing or sneezing.
- Use tissues to contain secretions and dispose of them promptly in a waste container.
- Keep common surface areas like doorknobs, light switches and keyboards, clean and disinfected.
