You know it wasn't easy!  
These are the 5 runners up in  
our photo contest. Please check  
them out on our facebook page.  
You'll also find the the 5 win-  
ners, and there's a ton of other  
great photos to see too!

## Found: bike

On June 8, 2020, Merritt RCMP re-  
ceived a found mountain bike from a  
concerned citizen. The bicycle is a valu-  
able mountain bike and was found in  
Merritt near one of the local mountain  
bike areas. The bike has not been reported  
as stolen nor is it registered on Garage  
529. If you think this may be your bike  
please contact the Merritt RCMP and re-  
ference file 2020-2799. A detailed descrip-  
tion of the bike will be required.

## Wintry accident on the Connector

Two vehicles went off the road, down a  
steep embankment on the Connector  
between Merritt and Kelowna, last Sun-  
day afternoon, June 7.

According to an eye witness, the vehi-  
cles went off the road just past Loon Lake  
Lodge due to icy road conditions. The  
road reopened after the vehicles were re-  
trieved, around 6pm.

## Volunteer positions for Ec Dev committee

The City of Merritt is seeking inter-  
ested persons to sit on the Merritt Eco-  
nomic Development Committee, to ad-  
vise Council on economic development,  
downtown revitalization, investment,  
business attraction, and long-term eco-  
nomic sustainability. Meetings will be  
held quarterly, or more frequently at the  
call of the Chair. Applications will be ac-  
cepted until Wed., June 24, and the first  
meeting would be held in July.

You can also simply send a letter in-  
dicating name, address, telephone and  
email contact with the reason you would  
like to serve on this committee. Send to  
Sean Smith, City of Merritt Director of  
Corporate Services at [ssmith@merritt.ca](mailto:ssmith@merritt.ca).

## The Consumer

The human condition is designed to  
absorb information and translate. Our  
metaphysical and physical motions are  
based on the beliefs learned and the  
parts of the mind nurtured by the envi-  
ronments. Regrettably, modern environ-  
ments do not teach the truest beliefs. In-  
stead, they endeavour to instill the need  
to unnecessarily want things worldly  
and fleeting, they attempt to condition the  
person numb to the world's suffering, and  
they strive to train the mind blind to the  
needs of the planet and humanity.

Bred to be... bred to be... bred to reinforce the status quo and bred to provide  
sweat to fuel the spiritually alienated machinery.

If the training of the people were different, they might want more. More for them-  
selves, more for the Earth, more for all, and more for the built world. But more for all  
would mean less for the few and it's the few who temporarily benefit from what the  
modern woman and man have evolved into.

"A truth's initial commotion is directly proportional to how deeply the lie was believed.  
It wasn't the world being round that agitated people but that the world wasn't flat. When a  
well-packaged web of lies has been sold gradually to the masses over generations, the truth will  
seem utterly preposterous...." —Dresden James — M. Bhangu, Amazon best-selling author

Who is Stan? And how did he get so many countries named after him?

Time Separates "Time separates the best of friends," said one woman to another. "How true,"  
replied the other. "Twenty years ago we were fifteen, now you're thirty-five & I'm twenty-nine!"

My Girlfriend Isn't Talking to Me My girlfriend isn't talking to me because apparently I ruined  
her birthday. Not sure how I did that... I didn't even know it was her birthday!

Interior Health

EXPANDED

PEOPLE WITH SYMPTOMS

B.C.'s testing COVID-19 strategy has been expanded to  
include anyone with cold, influenza or COVID-19-like symp-  
toms, however mild. The symptoms of COVID-19 are similar  
to other respiratory illnesses including the flu and common  
cold. They include: fever, chills, cough, shortness of breath, sore  
throat, painful swallowing, stuffy or runny nose, loss of sense  
of smell, headache, muscle aches, fatigue, loss of appetite.  
Anyone who needs a test should call their primary care provid-  
er (family doctor or nurse practitioner) or the closest Interior  
Health community testing and assessment centre directly to  
arrange a test. More info available on our website  
[news.interiorhealth.ca/news/testing-information/](https://news.interiorhealth.ca/news/testing-information/)

## TELUS Keep your sanity and perhaps even enjoy your time in relative isolation.

- Maintain a routine: We all feel better, and function better, when we follow a routine. End your workday at the same time as usual and try to go to bed at your usual time as well.
- Exercise: Exercise is a treatment for depression and anxiety. It doesn't take much exercise to help your brain stay mentally fit: 30 minutes of mild- to moderate-intensity exercise five days a week is enough.
- Go outside: So long as you can keep your social distance (at least 1m, although 2m is ideal), get outside to walk or bike, an effective way to aid stress reduction.
- Schedule fun time in your day: Make sure you do something you enjoy every single day. It will help your brain to really relax and reset.
- Learn how to be more mindful: Mindfulness is a life skill and can be learned.
- If in doubt, check it out: Be very careful where you get your health information regarding COVID-19. Go to reputable sources, such as the Public Health Agency of Canada, your provincial medical officer or the World Health Organization.
