Get out & cheer! Extended grad parade, tomorrow

Saturday June 20, the Grad 2020 class will be celebrating their milestone accomplishment in this challenging time with a new take on the traditional Grad Parade.

This great group of kids will be marking their graduation and celebrating with the community with an extended parade through the core of the city, led by the RCMP and followed by Merritt Fire and Rescue. The grads will be on display with their floats and begin the parade approximately at 5pm. They will be marking their accomplishments and thanking the people and community of Merritt for their support during their school career.

The extended route begins at Vogt Park, and then heads around to Quilchena Avenue up to Houston Street, over to Coldwater Avenue and then back down to Vogt Park to complete the celebratory tour.

The Grad Parade planning committee is thrilled to have been able to lengthen the route to include a bigger section of Merritt (thank you, City of Merritt) which also allows for family, friends, teachers and community members to come out, practice social distancing and safety measures (like masks) and still enjoy the parade. The Grads will be presented by Q101 on a live feed as they proceed through the intersection of Vogt & Quilchena and the committee encourages those who are celebrating with the grads to tune in to the radio and follow the parade — you don't have to be at that intersection to enjoy the show!

The Grads of 2020 encourage everyone to come out, cheer, celebrate and enjoy the event with them while practicing social distancing, and turn this parade into a memorable community event for this special group of kids in this very unique time in their lives. Thanks to all who have worked so hard to make this event possible and rising to the challenges presented by Covid-19.

— Grad 2020 Parent Executive

June 21 Indigenous Peoples Day

With Covid restrictions this year, Conayt Friendship Society will not be holding its traditional celebration in the park. Instead, the staff & Board of Directors have posted a video with drumming & dancing on their facebook page.

And today, Friday June 19, 12 noon to 1pm, they will be serving fresh Indian Tacos to celebrate Indigenous Peoples Day in their parking lot behind their building at 2164 Quilchena Ave., for anyone who would like to enjoy a complimentary homemade meal. First come, first serve. The delicious tacos will be pre-packed in containers for take away to ensure they follow Interior Health guidelines for Covid-19.

Open burning ban rescinded

Considering cooler, wetter weather patterns and the time of year, the BC Wildfire Service has lifted the burning ban, to allow Cat. 2 open burning throughout the Kamloops Fire Centre. This includes fireworks, sky lanterns and burn barrels or burn cages of any size or description. Ongoing assessment of the need for prohibitions is continuing.

Summer Solstice

Happy summer! It starts tomorrow, Saturday, June 20, 2020 at 2:43pm PDT. Even though most people consider June 21 as the date, solstice can happen any time between June 20 & 22.

Some vendors are part-time so make sure you visit weekly to see what's available! A Woman's Random Thought If you love something, set it free. If it comes back, it will always be yours. If it doesn't come back, it was never yours to begin with. But, if it just sits in your living room, messes up your stuff, eats your food, uses your telephone, takes your money, and doesn't appear to realize that you had set it free... You either married it or gave birth to it.
