BC DAY WEEKEND EDITION JULY 31, 2020 #3452

News, opinion, community events since 1996! Box 2199, Merritt, BC V1K 1B8 Tel: (250) 378-5717 Fax: (250) 378-2025 Email: market@uniserve.com

"Play safe and stay safe"

"It is easy to socialize safely and that's what we all need to do this B.C. Day weekend. To do this, let's keep our groups small and keep a safe distance from others, no matter where we may be.

"The actions you take make a difference, so let's make this holiday a different holiday than what we saw in early July. What you do today and this weekend will determine what we are able to do in the weeks ahead - so let's all do the right thing." −Dr. Bonnie Henry, July 30, 2020

Heat warning

A strong ridge of high pressure will remain over the interior of BC leading to hot conditions. Daytime highs in the low 30s will continue through the weekend.

Widespread thunderstorm activity is forecast across much of the Interior on Friday with severe thunderstorms possible over northern and central regions. Given the recent hot and dry weather, lightning strikes will increase the potential for wildfire activity.

Environment & Climate Change Canada issues heat warnings for the southern BC interior when they expect 2 consecutive days of max. of 35° or higher with an overnight min. of 18° or higher.

Rebuilding Murray Church

Thermometer rises to \$125,000!

Fundraising efforts are gradually moving forward again, to rebuild historic Murray Church at Nicola, destroyed by arson on Jan. 11, 2019.

The Murray Church Project

Murray Church "Rebuild"

estroyed by FIRE

At this point, design drawings, structural engineer approval, ar-chaeological approval are all in place. And the building permit application has recently been submitted to TNRD.

ocation scouting.

The Thompson-Nicola Film Commision is trying to get word out about producers of a feature film who want to film in the Merritt area in summer 2021.

They're looking for an isolated church in the middle of nowhere, or a Catholic Mission. They're hoping someone will

know of some buildings in remote grasslands area that may evoke feelings of a Catholic Mission — small cabins and church, or an old stand-alone church in the middle of grasslands.

They've already seen the church at Upper Nicola Reserve which is not suitable, nor is Hat Creek Ranch.

If they cannot find something, they plan to build it.

If anyone can help them, contact TNFC: 250-377-8673, vweller@tnrd.ca or through their website www. FilmThompsonNicola.com

'Kelowna cluster' of **COVID** cases

Until now, Interior Health has defined the number of cases associated with the "Kelowna cluster," to cases connected directly to specific events and businesses downtown in early July.

However, the situation has shifted into more broad community transmission, beyond these initial cases in downtown Kelowna.

So IH will begin reporting the number of cases occurring across Kelowna, in addition to the cases they could confirm were associated with the early July events. This new reporting will more accurately reflect what is happening in the city and region.

Based on this, there are 130 cases linked to Kelowna since June 26 under this new classification. And no additional staff cases at Kelowna General Hospital as of yesterday.

Community Barb's Used Book Sale, modified

The Kamloops Symphony's popular fundraiser, Barb's Used Book & Music Sale, is returning as a summer pop-up sale. It will run Wed-Sat in August, starting Aug. 12.

Covid procedures will be in place. FMI www.kamloopssymphony.com/

The Difference A teacher was asking her class: "What is the difference between 'unlawful' and 'illegal'?" Only one hand shot up. "Ok, answer, Joan," said the teacher. "'Unlawful' is when you do something the law doesn't allow and 'illegal' is an eagle that's sick."
