Experience NV gets shout-out from bcbusiness.ca

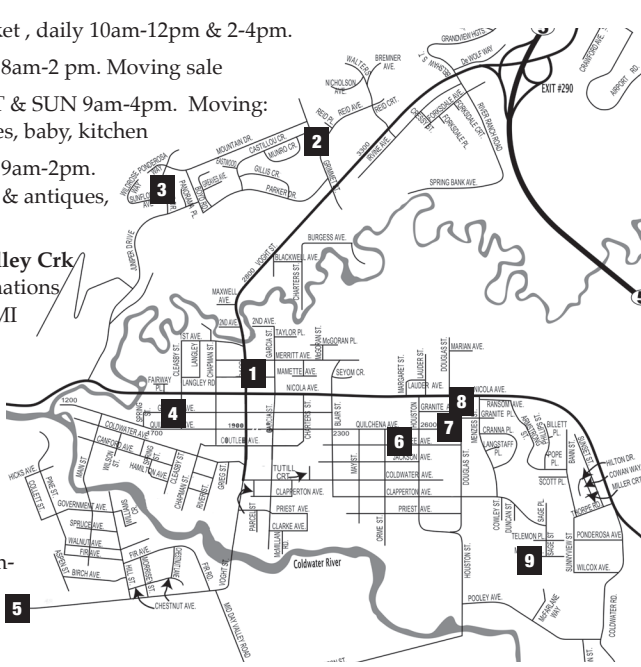

"Many BC communities are stuck in limbo, waiting for their tourism associations to provide solutions regarding the drop as a result of COVID-19. In response to this situation, a group of locals and volunteers in Merritt have taken matters into their own hands with a new awareness campaign, Experience Nicola Valley. The program provides small communities real-time tools, platforms, and training sessions—enabling locals to create quality authentic stories and experiences via a "Living" website, blog site, and live talk show. To date, the program has created over 180+ blogs, 60+ website pages, 4 social media channels, and 8 live talk show episodes featuring tourism activities, small businesses, nonprofits, events, and more. In doing so, they have captured over 600+ new top 10 search results on Google for top community and regional keyword phrases. This volunteer community engagement effort has brought the community together to ensure a better, stronger future."

I asked my wife, "If he refuses to sleep during nap time, is our son... guilty of resisting a rest?"

Pay Mistakes One day, an employee received an unusually large check. She decided not to say anything about it. The following week, her check was less than the normal amount, and she confronted her boss. "How come," the supervisor inquired, "you didn't say anything when you were overpaid?" Unperturbed, the employee replied, "Well, I can overlook 1 mistake, but not 2 in a row!"

He also faces 3 counts of failing to comply with a probation order, one specifically related to interaction with children. Anyone with info who has not yet spoken to police is asked to call Merritt RCMP at 250-378-4262.

Shortened hours at City Hall

Due to the overwhelming adoption of online payments, and the July 31st early payment discount date for residential utilities, City Hall will have reduced opening hours for cash and debit payments. Until Sep. 4, the hours will be 10am to 12noon Mon-Fri. The reduced hours will provide City Hall staff additional time to respond to phone and email inquiries. Residents can phone 250-378-4224 and schedule a meeting with a City employee or the Mayor.
