## New community COVID outbreak at Tim Hortons in Merritt

Interior Health is investigating a cluster of cases of COVID-19 associated with the main Tim Hortons at 3340 River Ranch Rd. in Merritt. The owner has voluntarily closed the restaurant and we appreciate Tim Hortons efforts and co-operation in managing this situation.

The business has appropriate precautions in place to prevent COVID-19 transmission to the public and our investigation has determined that there was no COVID-19 exposure to the general public. All confirmed cases are isolating and contact investigation is underway. There is no risk to the general public.

Whenever a risk to general public is identified in such an investigation, Interior Health will proactively send out a notification and post it on our website. Public health is doing contact tracing and will follow up with anyone who may have been exposed.

Interior Health will increase testing capacity in Merritt to address any possible additional demands. It is important to stress that testing is not required if you do not have symptoms of COVID-19. People can take the self-assessment test on the BCCDC website, call 811, or contact the local testing centre at 250-378-3407 to find out if they need a test.

## Revitalization of old visitor centre

BC NDP leader John Horgan made a promise to revitalize the old Merritt visitor centre that was shut down in January 2018.

Horgan and Aaron Sumexheltza, the BC NDP candidate for Fraser-Nicola, announced the plan as part of their second stop on Horgan's interior road trip happening today.

"The closure of the centre caused a lot of concern in the Nicola Valley," says Horgan in a press release. "More than 19,000 vehicles pass by that interchange every day, so it represented a key part of the local tourism industry.

"Aaron, as Chief of the Lower Nicola Indian Band, recognized that there was a tremendous opportunity to create jobs for the members of the five Indigenous nations, while showcasing the rich cultural heritage those nations have."

The five nations (Coldwater, Lower Nicola, Nooaitch, Shackan, and Upper Nicola) will turn the facility into a cultural and business centre, and plan to share their history, culture, and food while showcasing artifacts currently housed in Victoria.

Indigenous entrepreneurs will also have the chance to lease space in the development to operate a business. The Government of British Columbia provided funding to assist with the growth of the proposal when the project was first announced in March 2019. More than \$50 million will be spent on the first phase of the project and will create roughly 200 job opportunities.

"This is a very important project, not just for the five nations, but for the region as a whole," says Sumexheltza, in the release. "People felt that the loss of the centre would have meant a tremendous loss for the tourism sector and Merritt as a whole."

### What happens when frogs park illegally? They get toad

**Getting Away** Getting away from their high-stress jobs, a couple spends relaxing weekends in their motor home. When they found their peace and quiet disturbed by well-meaning, but unwelcome, visits from other campers, they devised a plan to assure themselves some privacy. Now, when they set up camp, they place this sign on the door of their RV: "Insurance agent. Ask about our term-life package."

## THIS WEEK'S HOROSCOPE

### Aries

March 21 - April 19

It's unlikely anyone wants to deceive you, but people will say anything rather than the three simple words, 'I don't know'.

### Taurus

April 20 - May 20

If you find yourself under pressure to accept someone's assessment of a situation, just know you don't have to buy into it. You'll still find success.

### Gemini

May 21 - June 20

This week, it's important to take your time; to digest an issue and mull things over before saying anything. Stay true to yourself.

### Cancer

June 21 - July 22

Take a long, hard look at the thing you don't want to see this week! As long as you're honest, and clear, you're on the right track.

### Leo

July 23 - Aug 22

This week, you need to stop co-operating and seeking ways to compromise. If you don't want to be swamped, you need to fight back!

### Virgo

Aug 23 - Sept 22

Now, it's time to get used to the idea of being in demand too. Your clarity of vision, and your kindness are much admired.

### Libra

Sept 23 - Oct 22

You're under pressure, and of course you have doubts. Yet, if you have more faith in yourself, you can put doubt away.

### Scorpio

Oct 23 - Nov 21

You've been ignoring signs that your innermost self is trying to share with your rational mind. You'll be able to make a wise and beneficial decision.

### Sagittarius

Nov 22 - Dec 21

If you really desire to change your outlook, and seek a more cheerful attitude, you just need to reach out for it.

### Capricorn

Dec 22 - Jan 19

You're not trying to be deceptive. But might you have tried so hard to convince yourself, that you've lost sight of the reality?

### Aquarius

Jan 20 - Feb 18

Although the situation you're dealing with feels oppressive, events this week reveal that you have more freedom than you think.

### Pisces

Feb 19 - Mar 20

Pay close attention to what your knowledge and heart are telling you this week. They can guide you to a positive end to a drama.
