COVID-19 numbers in Int. Health

October 20

13 additional COVID-19 cases were reported in Interior Health overnight (Oct 19-20), bringing the total in IH since the start of the pandemic to 624. 47 cases are active and on isolation. 2 people are in hospital. 1 person is in ICU.

Housing needs assessment

The TNRD is currently developing a Housing Needs Assessment for communities in the TNRD, including the City of Merritt. Information from the Assessment will be incorporated into the new Official Community Plan. The survey deadline is Friday, October 23rd.

Find the survey online at www.tnrd.ca/stay-connected/surveys

BC Fall 2020 election — Candidates

Aaron Sam Sumexheltza

My name is Aaron Sam Sumexheltza, and I'm your NDP candidate in Merritt. Growing up in a cattle ranching family here in the Nicola Valley, I learned the value of hard work, family and taking care of the land. I love the valley and the people who live here, and it's why I have a long history of involvement in helping the communities of this region grow and thrive. I am a councillor with the Lower Nicola Indian Band, and I was also honoured to serve as chief. During my two terms, we worked in collaboration with communities to put a moratorium on harmful biosolids entering the Nicola Valley, established British Columbia's largest community solar power system, and worked hard to build economic development opportunities for everyone.

People in our region are struggling. Not only are they dealing with the economic impacts of COVID-19, but even before the pandemic hit our region faced challenges. The mill closures in rural BC and decades of inaction from the Liberals have meant that people face the tough choice between either leaving their communities or staying with limited employment opportunities. I am running for the NDP because we need to have a government that fights for everyone, not just those at the top.

Andrew Wilkinson and the BC Liberals would take us backwards. His plan hands the biggest benefits to those who need it least. And he makes families and communities pay for it. Either with higher costs for car insurance, rent, medical premiums, hydro, and tuition fees. Or with cuts to the services we rely on, now more than ever, like health care. We can't afford to go back to that. Before COVID-19 hit, John Horgan and the BC NDP had started fixing many of the problems facing BC. Problems created through

16 years of BC Liberal neglect. The progress we've made together continues with our plan. We will focus on building a BC where strong public services like health care are always there when people need them, where we meet the challenge of the climate crisis, and where workers and small businesses are at the front of our economic recovery.

Here in Merritt and around the riding we face big challenges over the next four years. Together, we can keep BC moving forward — for all of us. John Horgan and our team will always work for you. On Saturday October 24th I'm asking for your vote so I can fight for you in Victoria.

— Aaron Sam Sumexheltza, BC NDP

What do you call bears with no ears? B

Painter Bonus A homeowner was delighted with the way the painter had done all the work on his house. "You did a great job," he said and handed the man a check. "Also, as a bonus, here's an extra \$100 to take the missus out to dinner and a movie." Later that night, the doorbell rang and it was the painter. "What's the matter," asked the homeowner, "did you forget something?" "No," replied the painter. "I'm just here to take your missus out to dinner and a movie like you asked."

Hazardous waste round-up event

Clear out all those old cleaners, chemicals, and unknown products from the garage or under your sink. The TNRD will hold its free annual Household Hazardous Waste Round-up event at the Merritt Visitor Centre/Curling Arena Parking Lot, on Sat., Oct 24, 10am–2pm.

Household hazardous waste is any waste from your home considered to be dangerous or which you have reason to believe could be hazardous, ie paint, batteries, oil, antifreeze, flammables, poisons, corrosives, adhesives, grease/tar, gasoline/kerosene, pesticides, fertilizers, devices containing mercury, and pool or lab chemicals. COVID protocols in place. FMI 1-877-377-2596 or recycleright@tnrd.ca
