## Letter to the editor Re: water shortages in Merritt

If anyone is interested, the Nicola Watershed Community Round Table spent about four years on a study of the Nicola and Coldwater watersheds.

The Nicola Water Use Management Plan (NWUMP) is available at: [www.nwrcr.ca/water-use-management/](http://www.nwrcr.ca/water-use-management/)

## Sundial stocks go wild, like GameStop

Sundial Growers, which last year had to dispose of its Kamloops facility and suspend operations in Merritt, was the new darling of the same traders of the r/WallStreetBets subreddit which orchestrated the short squeeze that sent shares of GameStop up over 1,000% in less than a month. Due to the surge in interest on Reddit, Sundial's stock more than tripled in value over the past month.

Last week, Sundial Growers went on a "queasy roller coaster ride". There has been an almost 300% surge in the share price since the start of 2021 which has brought the company's market capitalization to about \$2.8 billion.

But investor advice columns list Sundial as a bad bet in the long run... with a track record where its operating loss was \$89.2 million in late 2020, almost 7 times its revenue, while paying its executives \$3.12 million in share-based compensation during the same period.

## BC Seniors Care Providers Day

This year, February 23rd is officially proclaimed BC Seniors Care Providers Day by the Province of BC – an opportunity to celebrate care aides, LPNs, RNs, front line and administrative workers who look after BC's older adults.

This year the recognition has even more significance, as it is our seniors care providers who have truly borne the weight of the global pandemic over the past year. It calls for a special way to recognize over 50,000 B.C. care providers for their compassion, professionalism, and dedication. FMI [www.bccare.ca](http://www.bccare.ca)

**Price of Oranges** Mrs. Goldberg was shopping at a produce stand in her neighborhood. She approached the vendor and asked, "How much are these oranges?" "Two for a dollar," answered the vendor. "How much is just one?" she asked. "Sixty cents," answered the vendor.

"Then I'll take the other one," said Mrs. Goldberg.

**Lost Turnabout** Driving to a new restaurant, a woman took several wrong turns. When she finally found the right road, she asked her husband, "Why didn't you tell me I was lost?" "I thought you knew where you were going," he replied. "You always know where you're going when I'm driving."

## THIS WEEK'S HOROSCOPE

**Aries**  
March 21 - April 19

Disagreements don't convince anyone of anything. Why, then, is someone disagreeing with you? You don't need to be drawn into a fight. You can use your understanding to create calm.

**Taurus**  
April 20 - May 20

We're led to believe believe that effort is admirable, and inaction is lazy. But you don't need to chase anything or anyone this week. What's right for you will come.

**Gemini**  
May 21 - June 20

You're right to feel excited and inspired about what's possible. This week, you'll identify your needs, and get more inspiration to find exciting ways to meet them. Positive change is possible.

**Cancer**  
June 21 - July 22

You need to work out whether something is lost or just misplaced. Even if you realize that you never had it, you're on the way to being able to achieve whatever it is that you require.

**Leo**  
July 23 - Aug 22

What's needed now is a different kind of you. Your free-spirited nature can be galvanized into focused action. Any efforts made now will ensure fun times lie ahead.

**Virgo**  
Aug 23 - Sept 22

You've been more aware of problems than rewards. This week, the change of energy brings clear evidence that your efforts will be rewarded.

**Libra**  
Sept 23 - Oct 22

A cloud of confusion dissipates. Events this week not only enable you to highlight a communication error, they also provide a way to resolve tension and ensure ongoing trust.

**Scorpio**  
Oct 23 - Nov 21

You've been struggling against the odds. No wonder you're concerned about how this is going to work out. But you can stop worrying and start to enjoy the show.

**Sagittarius**  
Nov 22 - Dec 21

As you come out the other side of a bewildering situation, you can look back and understand why you feel uncertain. It's time to move on. This issue need never be problematic again.

**Capricorn**  
Dec 22 - Jan 19

You don't exaggerate problems, or magnify small signs. Ignore the pessimists and optimists around you. You'll handle a situation with wisdom this week.

**Aquarius**  
Jan 20 - Feb 18

This week brings clear signs of how well suited you are to your role. Even though it's no guarantee of acclaim or fame, it will bring a sense of achievement and fulfillment.

**Pisces**  
Feb 19 - Mar 20

You aren't the only person involved... and you're not wholly responsible for sorting this out. If you step back out of the fray, you'll find a harmonious resolution unfolds.
