Nicola Ranch owner matches Tyner Family reward to make it \$30,000 for info about Ben

"We would like to get the word out that John Liu, owner of the Nicola Ranch in Merritt, has added \$15,000 to our reward monies for a total of up to \$30,000 (Canadian) to be given to anyone who provides information that leads to finding Ben and to the arrest and prosecution of the person(s) responsible for harming Ben. We are extremely grateful to John for matching our funds. We are still in weekly contact with RCMP and feel that real progress is being made. Your continued prayers and support are as always greatly appreciated!", posted by Ben Tyner's mother, Jen Tyner on the MISSING: BEN TYNER facebook page.

Ben Tyner moved from Wyoming to work at Nicola Ranch, and had only been in the area for 3 months before he went missing on Jan. 26, 2019.

TNV receives 2 awards in 1 week!

Last week, Tourism Nicola Valley, our independent destination marketing society, was recognized twice for its innovative digital tourism marketing program, *Experience Nicola Valley*.

UK based magazine *Corporate Live Wire* announced that out of the 1000s of nominations received, TNV won the 2021 Canada Prestige Award for the 'Marketing Program of the Year'. "In a relatively short space of time Tourism Nicola Valley has clearly created something unique in the market that is making a big difference to people in the community. The program is both informative and educational and really helps put a focus on local businesses and what they do well. There is no question the program will encourage more to visit the region. We are very pleased to recognise [this] hard work," explained *Corporate Live Wire* Project Manager, Tom Avon.

Then, closer to home, TNV received news that it won the annual BC Economic Development Assoc. 'Community Project Award' for the *Experience Nicola Valley* program. "The BCEDA has given these awards to individuals and groups who have dedicated their time to community-based economic development. These awards recognize BCEDA members' outstanding work in supporting their local economies, and making a meaningful difference in their communities," said Dale Wheelton, BCEDA President and CEO.

"Time, staff, skills and funding has, for as long as I can remember, been a challenge faced by many a small and rural community in Canada when it comes to marketing and growing their brand. Hence, why we developed the *Experience Community Program* specifically designed for small towns. It is an authentic and customizable proven program which we plan on replicating in as many communities as possible," Greg Girard Co-Bro Founder of EH? Canada Travel Group.

The *Experience Community Program* is a community driven authentic content marketing program specifically-more designed for rural communities, with 3 real time-content marketing platforms including: an interactive community website on a national platform; a blogsite created by the community; and a live weekly Talk Show featuring local businesses & organizations.

Happy 50th anniversary
