WORLD BLOOD DONOR DAY EDITION - JUNE 14, 2021 #3574

Firefighters deployed to Quebec, Ontario

On Friday, the BC Wildfire Service sent 120 firefighters and 3 support staff to Quebec to help with firefighting efforts there. Saturday, another 60 firefighters and 1 support staff were deployed, for a total of 184 personnel in Quebec.

Yesterday, another 20 firefighters and 1 support staff were sent to Ontario.

COVID-19 precautions will be taken to protect the health of everyone participating, both during their time in Central Canada and on their return to this province. Firefighters will remain within their own 'bubbles' and conduct operations separately from Quebec & Ontario firefighters.

Crews can be recalled at any time if wildfire conditions change in BC. Given the current fire situation, we have sufficient resources in place to respond appropriately to wildfire activity here.

Girl Guides wrap-up

The 1st Merritt Sparks and 2nd Merritt Brownies have finished their Guiding year. And we are celebrating the girls' accomplishments: many have earned all 32 badges from the program, adapted from in-person to online virtual meetings back to in-person again.

5 Sparks will move to Brownies and 1 Brownie will move to Guides with all badges earned. We also welcomed 3 new girls during our *Try Now, Join Later* this spring: Spark Aubree, Brownies Sophia & Addy.

For girls ages 7 & 8, the hands-on Brownies program is about encouraging them to develop their own identity & positive relationships with others. Brownies gain confidence by learning skills that they can use in their daily lives and develop a commitment to their communities through service projects and special events. Programming covers everything from science and technology to the arts and eco-awareness and camping." excerpt from <https://www.girlguides.ca/>

We would like to thank everyone who has helped make this year special with presentations, the space to hold meetings and cookies sales. Check out the Girl Guide Mint Chocolate Blizzard available at Dairy Queen until August.

—Unit Guiders: Alycia, Chelsea & Susan

are all in sweet condition, gates are all posted with signs to ensure they get closed, so cattle are safe, and the cows are doing their best to keep their pies off the trails!" said Merritt Crown Partnership Prince James Osborne. The route is on the Trailforks App; so find a safe spot to view the racers on June 19.

Phone Bill. When he saw how astronomically high his latest phone bill was, the head of house called a family meeting. "This is unacceptable," said the father. "You have to limit the use of the phone. I never use this phone. I always use the one in the office." The mother said, "Same here. I hardly use the home phone, because I use my work phone." The son said, "Me, too. I never use the home phone. I always use the company's mobile." "So what is the problem?" asked the maid. "We all use our work telephones."

THIS WEEK'S HOROSCOPE

Aries
March 21 - April 19

This week, refuse to worry. Put your to-do lists out of sight. No matter how conscientious you are, since you'll only go round in circles, you might as well let the circles go round by themselves.

Taurus
April 20 - May 20

You're feeling cautiously inspired by the encouraging possibilities arising as a result all the changes. Yet it's hard not to worry about the uncertainty these changes will bring.

Gemini
May 21 - June 20

This week, you need to make sure you know why you want what you want, because your heart may be set on something, even when your mind doesn't think it's made up.

Cancer
June 21 - July 22

This week, despite an unsettling recent experience, you'll be blessed with a way to mend what's broken, heal a wound, and find a reliable source of comfort.

Leo
July 23 - Aug 22

Despite your best efforts to obtain clarity, you keep finding yourself in situations that could be easily misjudged. This week you can set a record straight and achieve a clear line of communication.

Virgo
Aug 23 - Sept 22

Sometimes, we have to unlearn what we think we know. This week, brings an inspiring revelation. Here comes a development that will shift your attitude and take you to the top.

Libra
Sept 23 - Oct 22

It doesn't matter who you know, it's what you know. And, what you know is precious. If you use the information you're about to receive wisely, you can alter a situation to your benefit.

Scorpio
Oct 23 - Nov 21

You're dealing with a situation you'd prefer not to notice. You try to push it back, but it keeps popping forward. Open your eyes and face the issue, you can sort it out for good.

Sagittarius
Nov 22 - Dec 21

This week brings a chance to renegotiate a challenging commitment. If you lighten your load, you'll free yourself to ride heroically to the rescue when needed.

Capricorn
Dec 22 - Jan 19

Your head & heart are disagreeing with each other. But they need to back each other up. Ask yourself what you're feeling, then what you're thinking. Find a way to reconcile them.

Aquarius
Jan 20 - Feb 18

Things aren't nearly as tricky as you think. Your concerns could motivate you to unprecedented new heights of success this week. Nothing but good need come of all that unfolds.

Pisces
Feb 19 - Mar 20

When we're hard on ourselves, we make an error that truly is a mistake. This week, as long as you focus on what's good & could be made good, inspiration and success will follow!

MISSING: SCRATCH, elderly golden Lab from Voght Prk area. COMPLETELY LOVED by her family (not neglected as reported on Facebook). Near the end of her life & we would like to be there for that. She is a free-range dog, so we think that if she could she would be back on her sidewalk watching the other dogs walking their humans. Hoping that if someone took her to 'care for her' or 'put her out of her misery' please at least let us know — to have her back or for closure for the boys who have had her in their lives since they were small. 280-1017
