Accident sparks grass fire on Hamilton Hill

A vehicle that crashed into a ditch on the Connector on Hamilton Hill Wednesday, burst into flames, sparked a wildfire which grew to nine-hectares.

31 BC Wildfire firefighters were at the scene of the blaze. It's unclear what caused the vehicle to crash, and there was no information regarding its occupants.

Semis crash near Loon Lk, one driver dead

On Wed, June 16, just after 9pm, emergency crews responded to a call for assistance from an off-duty RCMP officer who happened upon a collision between 2 semi-tractor trailer units in the west-bound lanes of Hwy 97C, near Loon Lake.

RCMP & the BC Coroners Service are investigating the circumstances. Preliminary findings at the crash scene suggests that a B-Train semi-tractor trailer unit, fully loaded with lumber, had been parked stationary and unoccupied, while awaiting a tow truck after becoming disabled, when it was struck from behind, according to Cpl. J. O'Donaghey, spokesperson for the Southeast District BC RCMP.

Tragically the operator of the second commercial vehicle was pronounced deceased at the scene. Emergency crews were unable to extract that operator before the commercial vehicle became fully engulfed in flames.

The flames spread to the first commercial vehicle and threatened nearby vegetation. As the blaze was outside the fire protection zone, the fire was closely monitored by RCMP officers who secured the scene overnight. Merritt RCMP maintains conduct of the ongoing investigation into the fatal crash, with the added assistance of BC Highway Patrol.

If you witnessed this crash and have not yet spoken to police, or you have dash camera footage of the collision, please call Merritt RCMP at 250-378-4262.

Washroom upgrades on Coquihalla

The Prov. is undertaking approx. \$1 million in comprehensive upgrades and accessibility improvements to rest-area washrooms at the Coquihalla Lakes Rest Area, Britton Creek Rest Area and the Zopkios Commercial Vehicle Brake Check Facility (for southbound travellers).

Work will be carried out by Yellow-head Road & Bridge, using local subcontractors. Work is anticipated to begin in late June, and all improvements are scheduled to be completed by the end of October 2021.

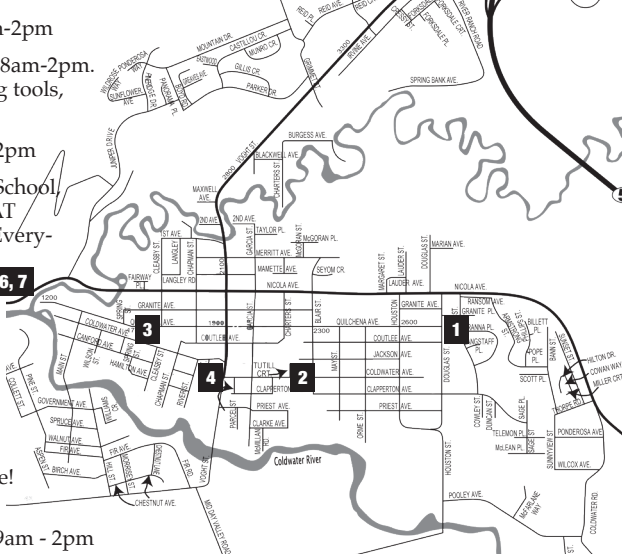

What's the difference between a healthy rabbit and a bad joke? One is a fit bunny, and the other is a bit funny.

What's the difference between a well-dressed man and a tired dog? The man wears an entire suit, the dog just pants.

I've never seen a chimney sweep before. In fact, I've never seen a chimney do any chores.

The Fathers' Poem

- Fathers are those people who
 - Always look for the good in their children,
 - Trusting that they will grow up to be proud and strong,
 - Hoping that their offspring will embrace a happy and productive life,
 - Ever rejoicing in their accomplishments,
 - Remembering what their fathers taught them, and
 - Sharing the best of the best with others in this world,
 - Seeking to impart wisdom, courage, kindness and light in their sons and daughters,
 - That's what good fathers are made of.
- May the Creator bless you richly on this Father's Day.

All my relations, *Bonnie Cowan*
[In memory of my father, Steve Cowan, who taught me many things which have made my journey thus far a meaningful one.]

Merritt Crown bike race update

The race date is June 19, there will be no official Start nor Finish, nor Awards Ceremony / BBQ etc. Racers may ride the course within a 10 day period and record their times. Race jerseys have been sent to all registered riders. Organizers have also set up race courses in 5 other BC communities, similar to their route, so that travel can be minimized, but organizers expect that 60-70 riders from the Interior will come to Merritt. The route is on the Trailforks App; so find a safe spot to view the racers on June 19.
