## Pick-up truck starts 7 fires along Hwy 8

On Sunday, July 18, at 8:58pm, the Merritt RCMP, along with the Merritt Fire Dept, Lower Nicola Fire Dept & BC Wildfire Service attended 7 fires along Hwy 8, between Johnny's on the Rez & Juniper Dr. They are believed to have been sparked by a vehicle travelling through the area, an older model F150, rusted with pieces hanging off it. The vehicle drove from Aberdeen Rd. in Lower Nicola, east through Merritt.

The Merritt RCMP temporarily evacuated several houses out of an abundance of caution. There have been no reports of property damage. This could have ended much worse had the fires not been quickly extinguished, said Sgt Joshua Roda, Operations NCO Merritt RCMP. Crews remained on scene until midnight. Hwy. 8 was closed in both directions for more than an hour as the fires were extinguished.

If you have any info related to the fires, the vehicle or dash cam footage in the area between 8:30pm-9:15pm, call the Merritt RCMP (250) 378-4262 or Crime Stoppers at 1-800-222-TIPS (8477).

## Cannabis @ Adelphi

At last evening's meeting, City Council decided to give a 'positive' recommendation to the Liquor & Cannabis Regulation Branch that a Non-Medical Cannabis Retail Store Licence be issued to Unity Cannabis for 2012 Quilchena Ave., in the Adelphi Hotel. Voting in opposition were Councillors Melvina White & Adam Etchart.

City staff admitted that, because of a restriction of proximity to a childcare facility, "someone is going to feel screwed". That's because at the time Quilchena Cannabis applied, they were told they couldn't be in the 2000 block of Quilchena because of Merritt Youth & Family Resource's current location, and had to settle for the 1900 block. Ironically MYFRS had a lapsed development application VERY close to that new location.

Some of the 'against' debate for the Adelphi location had to do with that same daycare (still in that original location 4 years later) despite it now having plans registered with City Hall for it's new building. A moot point, really, since MYFRS submitted basically a waiver of the requirement (from their point of view) for the proximity clause for where they will eventually end up.

The license for Unity's application still has to be approved by the Liquor & Cannabis Regulation Branch, making it not yet a done deal.

There was a bit of high drama we don't often see when a proponent for Quilchena Cannabis interrupted the meeting (after that vote, mind you) with pounding on the door & an outburst about an error made by the Mayor when she said that they have 6 outlets. And in an agitated state, she yelled at Council: it's "going to come to a lawsuit", when she found out the application had passed.

So, to be continued...

## Thoughts from outside the box What is the Khalsa?

Masters of the mind and captains of the sword. Detached from the earthly as earth is from a bird. The Khalsa is the truest of the pure attached to The Word.

Knee-deep in loot and the saint-soldier rides away honest. Eyes Heavenward as flowers in August. Understand my friend, the Khalsa plants virtue for the next harvest.

Skilled as the Bushido or Samurai. Created as Heaven's endless ally. The Khalsa is a blade on standby.

Today a flicker, yesterday a flame... Oh Khalsa, I salute those true to your aim. May the world again experience your name.

**Math Class** The math teacher saw that little Johnny wasn't paying attention in class. She called on him and said, "Johnny! What are 2 and 4 and 28 and 44?" Little Johnny quickly replied, "NBC, CBS, HBO and the Cartoon Network!"

**Prefixes Before and After** 'Pre' means before... 'Post' means after... To use both prefixes together would be preposterous!

**You're A Model** I was at the hardware store to get a duplicate of my car key made when the store clerk said, "You're a model?" It was exactly what a woman in her mid-30's wanted to hear. "Well, no, I'm not," I said, blushing. "But, I'm flattered that..." He stopped me right there, pointed to my car keys and slowly repeated, "Year...and...model?"
