Thursday evening's White Rock Lake fire cloud seen east of Merritt, above the Douglas Plateau.

More alerts & orders for White Rock Lake wildfire

Last evening, TNRD issued an evacuation order for 373 addresses in the Pritchard area, and an alert for 177 properties towards Knutsford & south of Kamloops. That's after an evacuation order on Wednesday evening for 271 properties in the Westwold/Monte Lake area, and all of Falkland and Cedar Hill area.

And then last evening, reports of the Monte Lake Store & trailer park destroyed by fire.

Dump hours survey

The TNRD is seeking input from residents to ensure that the hours of operations at their waste management facilities best serves the needs of the community.

Respondents have until Sept 29 to complete the survey. Every site has a unique survey to address comments and concerns. Survey is at <https://www.surveymonkey.com/r/MVKQFFF>

Missing: Boxer

Vera the boxer has been running scared for 5 weeks. Originally she went missing from the Peachland area where her owners/people rehomed her, and shortly thereafter she ran scared from her new home. Confused and left with strangers Vera has been running scared ever since.

Two lovely ladies local to that area had started tracking Vera in hopes of getting her safe. After almost a month of having eyes on her by neighborhood security cameras in the Peachland / West Kelowna area, Vera was still too scared to approach anyone. Shannon and Clair set up feeding stations to keep her alive and entice her. Out of desperation they sought help, and Angels Animal Rescue reached out.

We lent them our very humane and safe live trap. Over 18 years of being Angels we've been successful at safely trapping many very scared dogs, to then either be reunited with the people that love them or rehabilitated and re-homed into caring responsible families. Vera was safely trapped after 3 days of it being set, at approximately 3am in the West Kelowna region. But sadly, she is now in another new-to-her area and running scared once again, because almost as soon as she arrived she escaped out of sheer fear. It has been 5 days, we have not had any sightings; we need eyes on her so we can attempt trapping this poor scared girl again.

Vera is now missing from the Sunshine Valley area, Highway 8 between Merritt and Spences Bridge. But a scared running dog can travel far. She could be in any of the surrounding areas: Lower Nicola, Spences Bridge, Ashcroft, Logan Lake, could be seen near Hwy 8, Hwy 1 even the Coquihalla by now. We are at a loss and so very sad for this dog. Just want to get her safe but we need eyes on her.

We are pleading for the publics help... We ask that the public call or text this number immediately upon seeing her 250-378-5223 or, and 778-214-7489

DO NOT CALL OUT OR APPROACH HER BUT INSTEAD LEAVE FOOD AND WATER, WALK AWAY AND CALL THE NUMBERS POSTED SO WE CAN INITIATE OUR RESCUE TEAM IMMEDIATELY.

— Judana, Angel's Animal Rescue
