**Logan Lk evacuation**

At 3:30pm yesterday afternoon, the Mayor of Logan Lake issued an evacuation order due to the Tremont Creek Wildfire, with RCMP enforcing the evacuation as needed. And Highland Valley Copper was evacuated & shut down.

Evacuees are being directed to the ESS Reception Centre in Chilliwack at Chilliwack Senior Secondary on 46363 Yale Rd.

The City of Merritt ESS Reception Centre at 1721 Coldwater Ave. is open for evacuees who will be staying with friends and family in the Merritt area, and to support with gas cards to assist evacuees who are travelling to other communities.

Everyone evacuating from the Logan Lake area must register at an ESS reception centre or online (<https://ess.gov.bc.ca/>), even if they do not want and/or require access to assistance.

There is currently little lodging available in Merritt, while it may be available in the Lower Mainland or other communities. A press release read: "The City will not opening parks, civic centre, etc to allow evacuees to stay, because the goal is to work collaboratively to support evacuees by getting them in to the most suitable accommodation possible. Group lodging is an option, though with 2500 people being evacuated and with private commercial lodging available in other communities, those accommodation opportunities are prioritized. Given the smoke levels in our community, outdoor camping is also a concern."

The NV rodeo grounds is accepting evacuees at their grounds for those who need somewhere to camp or house their livestock. And the Merritt Grapevine facebook page has many offers of private rv parking spots for evacuees.

Starting Sept. 1, children aged 12 and under will be able to "Get on Board" any BC Transit or TransLink service free of charge as part of the provincial government's commitment to efficient, reliable, and affordable transit for families.

"This initiative will create lifelong transit riders, build better, more inclusive and sustainable communities and moves us all further along the pathway to cleaner and stronger British Columbia," said Minister of Environment and Climate Change Strategy and Minister Responsible for TransLink George Heyman. "More people choosing public transit means fewer vehicles on the road, reduced traffic congestion and cleaner air for everyone."

Children aged six to 12 will be able to ride buses and handyDART for free unaccompanied, without requiring a fare product or identification. BC Transit is requiring children aged five and under to be accompanied by a person 12 years or old.
