2022 property assessments in the mail this week

BC Assessment info was released yesterday and is based on market values as of July 1, 2021. In Merritt, the average property increased by 29%, slightly under the 30+% seen by many communities in the Thompson-Okanagan.

"The Thompson area real estate market has remained very active and that means most property owners can expect a notable increase for 2022," said Thompson area Deputy Assessor Tracy Shymko. "Unfortunately, parts of our region have also been severely impacted by fires, floods and landslides and we are here to help such property owners with possible amendments to their 2022 assessments and invite any impacted property owners to connect with us if they haven't already done so."

Property owners in Merritt, Spences Bridge and Princeton can call BC Assessment to make changes if the properties were not repaired by Dec. 31, 2021.

"We have set up a team to deal with those calls to ensure we handle them well and they get to the right person," Shymko said.

Property owners who wish to appeal the assessed value they were given can call BC Assessment at 1-866-825-8322. Those who were affected by floods or fires can also email BC Assessment at weather@bcassessment.ca

BC Assessment's website — bcassessment.ca includes more details about 2022 assessments, property info, and self-service access to a free, online property assessment search service that allows anyone to search, check and compare 2022 property assessments for anywhere in the province.

'Internet to Go' kits @ Merritt Resiliency Centre

The TNRD & Thompson-Nicola Regional Library continue to support flood-affected residents with a new pilot program, *Interior Savings Internet to Go* kits.

Starting today, the program will make 15 Chromebook laptops and Ka-jet hotspot devices available to loan for up to 4 weeks at a time, thanks to a donation of \$20,000 to the Merritt Branch of the TNRL from Interior Savings Credit Union meant to help in the flood recovery efforts in the area. In total, Interior Savings has donated \$45,000 to organizations in the Merritt area to aid in flood recovery.

To borrow an *Interior Savings Internet to Go* kit, apply in-person at the Resiliency Centre, 9am-4pm in the Merritt Civic Centre; or online at <https://www.tnrd.ca/tnrl-interior-savings-launch-internet-to-go-kits-at-merritt-resiliency-centre/> Forms filled out online can be sent to eoc.recovery@merritt.ca

Special weather statement for Nicola

Environment Canada is warning of a "potential for heavy snow Wednesday evening through Thursday".

They are forecasting a low pressure system to move into southwestern BC this evening. Snow at times heavy will begin in the evening and continue into late Thursday morning before easing off to flurries in the afternoon. Snowfall amounts ranging from 10 to 25 cm can be expected by the afternoon.

The winter storm is expected to affect Whistler, Fraser Canyon, Okanagan Valley, Similkameen, Nicola, South Thompson, Shuswap, Coquihalla Highway - Hope to Merritt, Coquihalla Highway - Merritt to Kamloops, Okanagan Connector - Merritt to Kelowna, Highway 3 - Hope to Princeton.

Housing needs assessment survey

Whether your home was devastated, lightly damaged, a detached house, a mobile home, a non-legal suite, or any other category, the City of Merritt is asking all residents with housing issues resulting from the flood to fill in the survey. By doing so, the City of Merritt can accurately assess what interim and short-term measures should be brought into our city. The City needs responses from as many Merrittonians as possible.

With 226 properties remaining on evacuation as of Dec 21, they are only just beginning the long-term recovery planning process that will no doubt include buy-outs or floodplain relocation, however at this point no plan has been created. They promise public consultation, and in the meantime, this survey will help them gather the info they need.

To fill in the "Housing Needs Assessment" survey, visit www.merritt.ca, hover over the top menu tab "Flooding information", and click "Housing Needs Assessment"

For further flood-related inquiries, contact the Emergency Floodline at 1-877-655-0341, 8:30am-4:30pm daily.

Boyfriend 5.0 to Husband 1.0 Dear Customer Service, Last year I upgraded from Boyfriend 5.0 to Husband 1.0 and noticed a slowdown in the performance of the flower and jewelry applications that had operated flawlessly under the Boyfriend 5.0 system. In addition, Husband 1.0 uninstalled many other valuable programs, such as Romance 9.9, and installed undesirable programs such as NFL 7.4, NBA 3.2 and NHL 4.1. Conversation 8.0 also no longer runs, and Housecleaning 2.6 simply crashes the system. I've tried running Nagging 5.3 to fix these problems, but to no avail. What can I do?

Signed, *Desperate*
