## When to get a COVID-19 test: Updated guidelines

IH WIDE – As COVID-19 activity increases across B.C., guidance for when to get a COVID-19 test has been updated.

### A COVID-19 test is not recommended if:

- You have no symptoms, even if you are a close contact of someone who has tested positive.
- You are fully vaccinated (two doses), experiencing mild symptoms and can manage your illness at home. Self-isolate for seven days. Notify your close contacts so they can self-monitor for symptoms.

### A COVID-19 test is recommended if:

- You are experiencing one or more of the following symptoms: fever or chills; cough; loss of sense of smell or taste; or difficulty breathing.
- You have experienced one or more of the following symptoms for longer than 24 hours with no improvement: sore throat; loss of appetite; headache or body aches; extreme fatigue; nausea or vomiting; diarrhea.

If you feel unwell and are unsure about your symptoms, contact your health care provider or call 8-1-1.

Rapid COVID-19 tests will be available at Interior Health Community Collection Centres (testing centres), including NV Hospital & Health Centre. Where available, rapid tests may be provided to individuals experiencing symptoms of COVID-19 and according to risk factors.

For the latest public health orders and public guidance, visit: <https://www2.gov.bc.ca/gov/content/covid-19/info/restrictions>

For a list of all Interior Health COVID-19 immunization clinics and other resources visit:

<https://www.interiorhealth.ca/health-and-wellness/disease-outbreaks/covid-19/immunization-clinics>

## Supports expanded for flood-affected residents

Starting Feb. 1, 2022, people affected by the flooding in fall 2021 receiving Emergency Support Services will see this support evolve to personalized wrap-around services delivered by the Canadian Red Cross.

Through the Red Cross, the provincial and federal governments will provide personalized recovery support, including interim housing and basic needs assistance. These personalized supports will be funded by donations to the 2021 Canadian Red Cross British Columbia Floods and Extreme Weather Appeal.

This is expanding on the initial support that evacuees have received through Emergency Support Services since Nov. 15, 2021. Personalized recovery support will include assessments to identify needs and will complement local government and provincial efforts to assist people as they navigate the recovery process.

A Red Cross case manager will help households access assistance from existing government programs where eligible, such as Disaster Financial Assistance, and develop a plan for recovery that can access additional funds to repair or rebuild their primary residences or relocate to a new community.

The Red Cross is reaching out to people who are currently receiving Emergency Support Services, or those that have indicated they would like to discuss recovery supports.

**and Animals** The NV Community Arts Council community show theme is our pets and animals. This past year has challenged our Nicola Valley community in so many ways. And one of the recurring challenges has been the care of our creatures- the pets and animals we care for.

During the forest fires and during the river flooding the stories of animals on the move, losses, lost, found, rescues, and the stories of comfort that our animals have brought to us...all the stories are touching. And they show how our animals are very present in our lives, as livelihood, as companions, as family.

We invited the community to submit their stories, photos, and art that show the challenges and comfort that our animals bring to us. And we hope to share the stories of our creatures during our challenging year of forest fires and floods. Come and share your stories of your pets and animals with our volunteers and workers at the Arts Centre.

No Reception planned, but check posts on our Facebook pages for a Meet and Greet if we can make it happen. Kids Program! Animal Art!... Amanda Pryzner-Dunn is holding a kids art workshop on Saturday, February 26, 10-11:45am. The children will take a tour of the Creature Comfort show. Then they'll have a chance to share stories of their own pets during a related art activity. Go to [nicolavalleyarts.com](http://nicolavalleyarts.com) or the Arts Centre to register.

Someone asked me to name two structures that hold water. I was like well, damn.

**A Wish Gone Wrong** A genie granted me one wish, so I said, "I just want to be happy." Now I'm living in a cottage with 6 dwarves and working in a mine.

**There are three kinds of men:** - The ones who learn by reading, - The few who learn by observation, and - The rest of them have to touch the electric fence to see if it's really on.

## THIS WEEK'S HOROSCOPE

**Aries**  
March 21  
- April 19

This week brings an encounter with someone who knows what you need to know. As you'll see when you take a closer look, there's more merit to this 'problem' than you realize.

**Taurus**  
April 20 -  
May 20

You made an important decision... and there's no going back. This week, you'll see exactly why you made the right-sized choice.

**Gemini**  
May 21 -  
June 20

This week brings the courage to politely say 'no' to unreasonable requests. Take care of yourself this week. You need to replenish your energy levels ready for some 2022 fun.

**Cancer**  
June 21 -  
July 22

Unless someone notices the changes you're implementing, keep your decisions to yourself. Don't let anyone dissuade you from your goal. Not when you're achieving so much.

**Leo**  
July 23 -  
Aug 22

You deserve praise & acknowledgment for your behind-the-scenes helpfulness. Your contributions are appreciated by someone hasn't had a chance to show how they feel.

**Virgo**  
Aug 23 -  
Sept 22

You can't judge a book by looking at its cover was never about books. This week brings a chance to change your mind about someone you think you can read.

**Libra**  
Sept 23 -  
Oct 22

This week, a silly situation is resolving. It's challenged you mentally & emotionally. Your commonsense approach will lead to a rare, delightfully generous reward.

**Scorpio**  
Oct 23 -  
Nov 21

You may think that that nothing much is changing in your life. Yet a crucial process has been set in motion. One aspect of your world is set to change. And that's a very good thing.

**Sagittarius**  
Nov 22 -  
Dec 21

The path this week to your longterm goals won't be straightforward. But, being adaptable, you can easily deal with the twists and turns along the way.

**Capricorn**  
Dec 22 -  
Jan 19

A new, unfamiliar situation presents itself this week. You might be wary, but you'll be surprised how quickly you adapt. It will inspire you to alter an uncomfortable situation.

**Aquarius**  
Jan 20 -  
Feb 18

Focus on polishing up your communication skills this week. With gentle but firm encouragement, you'll find the support you need.

**Pisces**  
Feb 19 -  
Mar 20

The more you try to explain, the greater the chance you'll impose your views on an unprecedented series of events that is transforming your life, in an unpredictable way.
