**NICOLA VALLEY
TRANSPORTATION SOCIETY**

We are a non-profit Society that manages the provision of transit services to the residents in our community.

We are currently seeking three (3) Board Members who will serve a minimum of a two (2) year term and assist NVTS to maintain and expand transportation services in our community.

The Board meets monthly to govern and oversee the management of the organization. Meetings are held monthly on the third Wednesday at noon. All Board members are expected to participate in Committee activities and attend Committee meetings as required.

The Society was incorporated in Victoria, BC on July 4, 2007. Our Society is unique due to the fact that transit services are supplied to the community and surrounding areas via the Society, whereas BC Transit services are operated by private companies in the remainder of the Province.

We need you if you have an understanding of our community and a passion for our cause. If you have previous governance experience or financial or background in business this is the Volunteer Experience for you.

Please contact our office via email at nvtsadmin@telus.net or call 250-378-4080 to obtain an application. Thank you in advance for your interest.

**1000s of dollars
stolen from restaurant**

On September 1, 2021, Merritt Front Line Officers responded to a theft at a local restaurant on Nicola Avenue.

A man had allegedly walked into the restaurant outside of regular business hours and stole a backpack containing thousands of dollars, personal identification, debit and credit cards. Officers were able to identify the man through video surveillance. He was located and arrested without incident in possession of the stolen backpack.

On January 25, 2022, Mr. Jamie David Koivisto was charged with one count of Theft Under \$5000 and one count of Unauthorized Use of a Credit Card. He is set to appear in Merritt Court on February 15, 2022.

**'Culture Wall' project
at new RIH tower**

In partnership with the Tk'emlúps te Secwépemc, the Secwépemc Health Caucus, the Two Rivers Métis Society and the RIH Foundation, Interior Health announced that Chris Bose will be the lead artist to design the 'cultural wall' in the new Phil & Jennie Gagliardi Tower at Royal Inland Hospital.

When complete, the wall will be an artistic representation of Secwépemc traditional territory, honouring guest Nations to the region.

"I'm thrilled to be given this responsibility, to bring together so many different cultures into one artistic representation," said Bose. "There is incredible artwork represented in all of the Nations in this area. To have art that represents our people in the hospital, it means a lot. To be able to show the culture of the different Nations and help make the hospital more welcoming to our people, that is our goal."

As part of the design process, Bose is engaging with members of the Nations whose traditional territories surround Royal Inland Hospital, including the Secwépemc, Dákelh Dené, Tsilhqot'in, Northern St'at'imc, Nlaka'pamux and Syilx. He is also working with the Two Rivers Métis Society in Kamloops and Métis Nation BC and has engaged with Inuit Peoples living in the area.

Bose, a Secwépemc and Nlaka'pamux multi-disciplinary artist, is well-known in the Kamloops art community. A resident of Kamloops, with extended family ties with the Nicola Valley, he is a founding member of the Harbour Collective, an Aboriginal arts collective based in Kamloops, and is a facilitator of community arts events and workshops, bringing art to people of all ages and backgrounds.

The wall will be located on the first floor of the Phil & Jennie Gagliardi Tower at RIH, which will include child and adolescent mental health services; obstetrical services; a neo-natal intensive care unit; a mental health and substance use inpatient unit; a surgical services suite with new operating rooms; medical surgical inpatient units; respiratory therapy services as well as a rooftop helipad. Once the tower opens in July 2022, construction of Phase 2 renovations will commence and will include a significant renovation and expansion to the emergency department as well as enhancements to pediatrics, post-anaesthetic recovery and the morgue.

The capital budget for the project is \$417.1 million, to be shared between the Province (\$203.5 million), Interior Health (\$21.6 million), the Thompson Regional Hospital District (\$172 million) and the RIH Foundation (\$20 million).

Pulled Over "Hey you! Pull over!" shouted the traffic cop. The lady complied, and the judge next day fined her twenty-five dollars. She went home in great anxiety lest her husband, who always examined her checkbook, should learn of the incident. Then inspiration struck and she marked the check stub, "One pullover, \$25."
