Jurassic World Dominion

Jurassic World Dominion The trailer for *Jurassic World Dominion* officially dropped yesterday, with a full-minute of footage shot in BC. The film, starring Chris Pratt and Bryce Dallas Howard, began production on Feb. 24, 2020 in the Kamloops and Merritt areas — under the working title “Arcadia” — and ran through to March 6. Other locations in Merritt, such as the old Ardew site, were also used: beyond shooting in Big Box Canyon, production crews were spotted around the historic Coldwater Hotel and Ponderosa Sports store across the street.

The third in the new trilogy, *Jurassic Park Dominion*, will be released in theaters on June 10, 2022 — a full year after its originally scheduled premiere date.

15 illicit drug deaths in Merritt in 2021

The Merritt Local Health area recorded 15 illicit drug deaths in 2021. The rate per 100,000 person-years is the second highest in all of BC at 124.9, trailing only Upper Skeena. The Merritt rate is also by far the highest since 2016 (data provided begins in 2016), surpassing 79.1 in 2017.

The Interior Health Authority registered 371 illicit deaths in 2021, a near 100-death jump from the 288 recorded in 2020. The total is the most ever recorded in a calendar year. The Thompson-Cariboo region recorded 14 deaths in December and 148 overall in 2021, also the most ever for the area. The deaths surpassed the 101 recorded in 2020.

In BC, there were 2,224 suspected illicit drug toxicity deaths, the most ever recorded in a year.

Radon detector kits available at local library

The Thompson-Nicola Regional Library has made radon detector kits available to borrow from all library facilities in the region.

Radon is a radioactive gas that is created when uranium breaks down into soil and rock. It is invisible, odourless and tasteless, and can accumulate in enclosed spaces. According to Health Canada, radon is the number-one cause of lung cancer in non-smokers.

A Corentium Home digital radon detector kit may be borrowed by any TNRL patron in good standing. Due to high demand, the kits can be loaned for seven days at a time.

At home, follow the instructions in the kit to activate the detector. Leave the device in one spot on the lowest level of your home. After a few days, take note of the radon levels. To protect your privacy, please make sure to reset the detector before returning the radon detector kit to your local TNRL branch.

The radon detector kits will not be available to borrow from the TNRL between May 1 and August 31 each year. Radon readings are less accurate during the summer months, when people tend to leave windows and doors open at home, allowing radon to safely dissipate into the atmosphere.

For more information on the new Radon Detector Kits program, visit: tnrl.ca/explore/devices-and-book-kits/

If every day is a gift, I want to know where I can return Mondays. Store credit will do, I'll exchange it for another Saturday.

I'll See I asked a supermarket worker where they kept the canned peaches. He said, "I'll see" and walked away. He never came back. When I saw another supermarket worker, I asked him. He said, "I'll see" and walked away. He never came back either. I got tired of waiting and started looking up and down every aisle. I finally found them. They were in Aisle C.

From the bed to the floor Monday morning...Rolling out of bed is easy. Getting up off the floor is another story. Somehow the floor is even comfier than the bed.

Chamber of Commerce Shop Local

With some new blood & lots of work ahead to rebuild our town, the Chamber of Commerce is offering some fun with their *Shop Local* program... and there are prizes! With Valentines coming, they've launched "Love your Locals" event, with 8 date-night prizes to be drawn on Feb 13.

There are 2 ways to enter: Take a selfie in (with permission) or outside of a favorite local business and post the pic to Facebook or Twitter with the #shopmerritt. Or, for old-school, submit receipts from local stores with your name and phone number or email written on the back and drop off at participating businesses: Canadian Tire, McDonald's, either Subway, Creative Company, Breathe Bikes, Love to Dance, Hair Shack, Miss Vicki's Petals and Plants or Mandolin's. Children's Art Literacy program

Literacy Merritt & Nicola Valley and the NV Arts Council have partnered to present *Explore Art Literacy*, a free program for children ages 4-6. Instructor Susan Parkinson is an artist and former kindergarten teacher, and feels that books and art are a natural partnership.

The program will run 4 Tuesdays 10:30-11:30am at the NV Arts Ctr Clubhouse on Feb 15, Mar 1 & 15, and Apr 5. Limited participation because of covid protocols. Register online at programs@nicolavalleyarts.com or in person at the NV Arts Centre Gallery and Gift Shop. FMI visit literacymerritt.com or facebook.com/LMNVS.

Merritt Support Centre

The Merritt Support Centre is now open at 1700 Garcia St. next to Coco's. Services for those affected by the flood — Red Cross, psychosocial services & case managers — are available. Deadline for DFA applications is Feb. 12, 2022.
