Merritt's latest mural to be unveiled Tues

The City of Merritt has announced the unveiling of the latest mural in the City Centre on the exterior of the Nicola Valley Memorial Arena.

A small ceremony will take place on-site at the arena on Tuesday, May 17, 2022 from 4:30-5:30pm.

Last spring, the City of Merritt put out a call for expressions of interest from local visual artists to create a mural to celebrate the history and diversity of sport in the Nicola Valley. This was a unique mural project as it was open to all visual artists who worked in any medium and did not require the artist to paint the wall. The artwork will be printed on vinyl, mounted on aluminum composite, and laminated for durability. This will also enable the artwork to be moved, if necessary.

Cliff McDougall was the successful local artist commissioned for the arena mural. Cliff is a self-taught photographer who has been photographing local events, including rodeo's, Pow Wow's, and sports for several years. When Cliff switched to using a digital camera, it opened up new opportunities to further expand his artistic talents. This will be the first mural installation of Cliff McDougall's artwork, but his digitally enhanced photographs can be found in the Nicola Valley Arts Gallery and Beyond the Willow.

The City of Merritt would like to acknowledge funding from the Province of British Columbia to support this project.
