## City notice about rising river levels

With recent rainfall and melting snow, river levels across BC are rising. The Coldwater and Nicola Rivers have been placed on a High Stream Flow Advisory as of yesterday — meaning that water levels will rise (but no major flooding is expected). The city of Merritt advises residents in low lying areas to turn on their sump pumps.

As of yesterday, the Nicola River discharge from Nicola Lake is at about 2/3 the 2021 spring peak. The Coldwater is at about half its 2021 spring peak. And they know that neither river saw freshet flooding in 2021. They will continue to monitor the situation.

"Personal preparedness is an important part of ensuring that if situations evolve quickly, we are prepared to take action to keep ourselves and our families safe. We recommend community members: subscribe to VoyentAlert! • follow the City's website and social media pages or listen to the local radio for updates • prepare a 72-hr emergency kits • have a family emergency plan."

For emergency planning information see: <https://www.getprepared.gc.ca/>

Free sand for sandbags has also been provided in the parking lot across from Merritt Civic Ctr, 1950 Mamette Ave.

## Letter A heartfelt thank you

...to BC Ambulance Service and Merritt Fire Rescue who responded so promptly on May 6 to my husband's fall at home.

A special thanks to Paramedic, Rebecca, who very gently and insistently recommended that Ben be checked out at the hospital. Thanks to you Ben had the chance to pass peacefully and on his own terms in a supportive environment.

Thank you to the kind and compassionate staff at Nicola Valley Hospital in both Emergency and on the ward. Especially to Ashley Fulcher who was so empathetic and helpful. You all took such good care of Ben and our family, and made his passing a much better experience for all of us. Ben was very clear that he was leaving but we were not ready for him to go. In fact, we were convinced he was coming home. Your nursing care and generosity helped us all so much in accepting the outcome.

And a big thank you to Dr Simpson for your compassion and assistance in preparing for Ben's choices around death and dying.

Ava Dean and Family.
