Mary Lucyk (nee Tokarik)
June 22, 1922 - June 6, 2022
With sadness, we announce that Mary Lucyk (nee Tokarik) passed away peacefully on Monday, June 6, 2022 at Nicola Valley Hospital in Merritt, BC. Mary is survived by her daughters Elaine (Harvey) Abraham of Kelowna and Susan (Dan) MacLeod of Surrey, son Glenn (Debbie) Lucyk of Penticton, and sister Pat (Bill) Plue of Vancouver. Mary was a proud and loving grandmother to seven grandchildren and eight great-grandchildren. Mary was pre-deceased by her husband Alfred in 2019.

Mary was born and raised in Whitkow, Saskatchewan. As a child, Mary aspired to be a teacher, wife and mother, and she accomplished all of her goals with love and grace. Mary began teaching in rural Saskatchewan, but after marrying Alfred and moving to Schumacher, Ontario, she became a full-time mother. Mary eventually resumed her teaching career, both in Schumacher and later in Merritt, where the family moved in 1967.

In both Schumacher and Merritt, Mary was an active member of Trinity United Church congregations. She contributed her time and many skills whenever and wherever needed.

A tribute to Mary will be held from 1 - 3 PM in the hall of Trinity United Church on what would have been Mary's 100th birthday - June 22, 2022. The family would like to invite you to share anecdotes or memories that you may have of Mary. Tea and light refreshments will be served. In lieu of flowers, the family ask that you make a donation in Mary's memory to a charity of your choice.

It Takes A Village I read somewhere that it takes a village to raise a child... Where is this village and is there a number you can call?

You Want Answers Son: Dad... can I have \$450 to buy a moped? Dad: Son, listen to me very carefully. Due to the escalation of my personal monetary obligations brought on by spiraling inflation and the ever-fluctuating ramifications of the Petro-dollar, it behooves me to rule in the extreme negative when responding to my male issue. Son: Huh?!? I don't get it! Dad: Exactly.

THIS WEEK'S HOROSCOPE

 <p>Aries March 21 - April 19</p> <p>You're finding it easier to focus your ideas, and aware of what you need to do to make progress. There's nothing to be gained from allowing your emotions to cloud your judgment.</p>	 <p>Taurus April 20 - May 20</p> <p>Various forces are battling for your attention. No wonder you feel as if you've got a headache! Turn the volume down on what you're doing, everything else will follow suit this week.</p>	 <p>Gemini May 21 - June 20</p> <p>Someone who's unhappy with the world will happily encourage you to feel as they do. But, if you know what's good for you, you'll seek out more positive, productive company.</p>	 <p>Cancer June 21 - July 22</p> <p>This week, you could get caught up in a frustrating situation, that sounds like a logical argument. Yet, if you keep looking for an idea that makes more sense, you'll find it.</p>
 <p>Leo July 23 - Aug 22</p> <p>This week, don't dash headlong into every interesting proposal that comes your way. And don't rise to the bait of any antagonistic challenges. Stay on an even keel.</p>	 <p>Virgo Aug 23 - Sept 22</p> <p>This week, if you watch for subtle signals, you'll know when to pull back and when to walk forwards. Then, you'll make safe progress towards improving a key relationship.</p>	 <p>Libra Sept 23 - Oct 22</p> <p>When you smile, not only do you feel better about the world, but you think more clearly and are more open to inspiration. What makes you smile this week can keep you smiling for a long time.</p>	 <p>Scorpio Oct 23 - Nov 21</p> <p>If we've never experienced difficulties, we can't appreciate simplicity. Things haven't gone as you'd planned recently. Which is why they're going to go well this week.</p>
 <p>Sagittarius Nov 22 - Dec 21</p> <p>A complex discussion hasn't reached a conclusion. Even though this uncomfortable stage looks set to continue, you're learning. And it will lead to an unprecedented breakthrough.</p>	 <p>Capricorn Dec 22 - Jan 19</p> <p>This week, you'll find yourself revisiting old ideas about what matters and what's desirable, and developing the energy to succeed in something brave and new.</p>	 <p>Aquarius Jan 20 - Feb 18</p> <p>Your innovative spark shines even brighter than usual this week. If you look for a new way to cope with a problem, you'll begin to create a wonderful new reality.</p>	 <p>Pisces Feb 19 - Mar 20</p> <p>This week, how are you going to make your mark and get your message across? Write something meaningful on a well-positioned wall. You can make a difference.</p>
