BC Epic 1000
The Grand Depart for the 6th annual mountain bike race was held at Breathe Bikes 7am on Saturday, with 60 racers starting the 1042-km ride, mostly along the Trans Canada Trail, to Fernie.

This race is offroad, unofficial, completely self-supported racers must carry what gear they need for the race, but they may re-supply with food at the various towns the route passes through. Some racers ride through the night with light systems, and complete the event in 3 days, but many are unable to complete

the grueling event at all. This year, rac-

ers will encounter at least a 1/2 meter

of snow on Grey Creek Pass, though the weather will be sunny and warm. Organizer Dr Lennard Pretorius of

While no local riders are competing this year, Breathe Bikes hosted coffee, bannock, and snacks for the racers before the start. This event is one of several held in the Nicola Valley which recognize the area as a great venue for mountain biking.

Category 3 open fire prohibition

Effective at 12 noon on Thursday, June 30, Category 3 open fires will be prohibited throughout the Kamloops Fire Centre, and will remain in effect until 12 noon on Saturday Oct. 15, or until the order is rescinded.

Anyone conducting Category 3 open fires within the Kamloops Fire Centre's jurisdiction must extinguish those fires by the June 30th deadline — industrial piles primarily, or stubble or grass over an area greater than 0.2 hectares.

This prohibition does not ban campfires that are a half-metre high by a high-metre wide or smaller and does not apply to cooking stoves that use gas, propane, or briquettes. Nor does it ban Category 2 fires. FMI www.bcwildfire.ca
