## Nohomin fire

Yesterday, the Nohomin Creek wild-fire's western flank was advancing toward the Stein Valley Nlaka'pamux Heritage Park. Lytton First Nation and BC Parks are working together to identify cultural values, sensitive sites, as well as other recreational and ecological values, and the best methods to protect them. At the same time, they acknowledge that fire is natural ecological process which is necessary to maintain a healthy forest and a diversity of plant and animal life.

BC Wildfire Service ground and aerial crews have been working to contain the southern, eastern and northern flanks of the Nohomin Creek wildfire, to protect structures within the fire's vicinity. The western flank of the fire has been growing upslope in steep, inoperable and difficult to access terrain. The area poses significant challenges to responder safety, and so crews were unable to action the western flank.

Yesterday morning, the fire size was mapped at 1,706 hectares. Last evening's rain might have had some effect on the blaze, if the area got the downpour we did... otherwise, the fire is classified as out of control.

A warming and drying trend is forecast for the coming week, resulting in fuels drying out and becoming more susceptible to ignition. The fuel load in the area is heavy and as the Nohomin Creek wildfire progresses west, fuels the Stein Valley Nlaka'pamux Heritage Park will be consumed. Large amounts of smoke and intense wildfire behaviour are expected.

# THIS WEEK'S HOROSCOPE

### Aries

March 21 - April 19

This week, you don't have to do anything to deserve the positive change in your circumstances. But remember to be thankful for it! The more grateful you are, the better it will be.

### Taurus

April 20 - May 20

You can get into a convoluted conversation about the merits of an idea. But this week's cosmic message is clear. If you want to make progress, don't ignore your feelings.

### Gemini

May 21 - June 20

This week, if you think positive thoughts, will your dreams come true? You need to put some effort in too. You can't do nothing and expect to triumph. But you can afford to be hopeful.

### Cancer

June 21 - July 22

This week, a reinvestigation of a mystery in your world will lead to clarity. Once the secret's revealed, you'll be in a much more powerful position.

### Leo

July 23 - Aug 22

This week brings a result you've been working hard for. Why has it been such a struggle? Well, it will ensure you don't take it too easily for granted!

### Virgo

Aug 23 - Sept 22

To move things forward you may have to work with a plan you don't believe in. But it's worth taking the risk. Make a conciliatory gesture, and a rewarding deal is possible.

### Libra

Sept 23 - Oct 22

We all need good people to accompany us along life's journey. This week, be ready to be inspired by someone's ideas. And be bold in your response. This alliance has potential.

### Scorpio

Oct 23 - Nov 21

You're doing things to claim your independence. This week, implementing change will be easy. But be honest and keep your integrity. Then transformation can take place.

### Sagittarius

Nov 22 - Dec 21

This week, your challenge is to be discreet but honest. If you use truth carefully, and trust that it will be for the good of all, it will help you find your way out of a slightly distorted reality.

### Capricorn

Dec 22 - Jan 19

We're a mix of different emotions. Life's biggest challenges involve choosing between moods and attitudes. This week, events give you reasons to celebrate.

### Aquarius

Jan 20 - Feb 18

After a long and challenging climb, you're reaching the summit of the mountain. It's not easy, but the worst is over. This week, prepare for a wonderful view of your future.

### Pisces

Feb 19 - Mar 20

Don't do anything that doesn't feel right. Nor do you have to resolve everyone else's issues. Take baby steps, and resist the urge to join in the drama, you'll make excellent progress.
