Three new wildfires under control Friday

Three new fires were discovered along the Coquihalla corridor Friday morning – one east of Logan Lake, one along the Coquihalla Highway south of Merritt, and one east of the Brookmere area.

A helicopter quickly bucketed the lightning-sparked Morrison Creek fire east of Logan Lake early Friday morning, and a four-person crew finished off the job later in the day. The fire never grew larger than "spot-sized," and it's now classified as "under control."

A human-caused fire was sparked later in the morning along the Coquihalla Highway, near Kane Valley Road. Four BC Wildfire Service firefighters attended the scene and put out the fire, before it grew any larger than 0.1 hectares.

But once that crew wrapped up their work on the Coquihalla fire, they were diverted to another nearby lightning-caused fire, located between Brookmere and Highway 5A. A total of nine firefighters responded to that Hastings Lake wildfire, and as of Friday afternoon, the spot-sized fire is also now classified as "under control." — www.castanet.net

Merritt ER closed over the weekend

A temporary change to emergency department hours at Nicola Valley Hospital took place over the weekend, due to unexpected limited physician availability. Starting 8am yesterday, til 8am this morning, emergency services were unavailable and patients had to access care at Royal Inland Hospital in Kamloops or Kelowna General Hospital. During this time, all other inpatient services continued as normal at NV Hospital.

When the ER is closed, people in the community who need life-threatening emergency care (i.e., chest pains, difficulty breathing, severe bleeding) should always call 911 for transport to the nearest available and appropriate facility.

Anyone unsure whether an emergency room visit is warranted can call HealthLink BC at 8-1-1, or visit www.HealthLinkBC.ca for non-emergency health information from nurses, dietitians and pharmacists 24 hours a day, 7 days per week.

If you're happy and you know it, it's your meds.

Bigger Fish The swordfish has few predators in the wild. Except for the rare penfish, which is said to be mightier.

Dog Trouble During a county-wide drive to round up all unlicensed dogs, a patrolman signaled a car to pull over to the curb. When the driver asked why he had been stopped, the officer pointed to the big dog sitting on the seat beside him and asked, "Does your dog have a license?" "No," the man said, "he doesn't need one." "Yes he does," answered the officer. "But," said the driver, "I always do all the driving."

THIS WEEK'S HOROSCOPE

Aries
March 21 - April 19

If you're willing to alter the way you see a situation, it can make a huge difference to how you feel about it. If you can move past an emotional obstacle, then the changes ahead will be exciting.

Taurus
April 20 - May 20

You can't seem to settle into an arrangement... There's nothing wrong with feeling unsettled. It may feel awkward, but it's just part of the process towards finding the perfect solution.

Gemini
May 21 - June 20

You have the ability to draw everything you need into your life. Even if you find yourself going it alone without the support you'd like, you can help yourself this week. You have everything you need.

Cancer
June 21 - July 22

The idea of taking a broader view makes you feel nervous—you don't want to see anything that will force you to think it through again. But the truth will inspire you onwards.

Leo
July 23 - Aug 22

Wisdom is a treasure: only when we possess it do we realize its value. Finding it takes resolve, maturity & self-sacrifice. Dig deep & balance your passions with those of other's.

Virgo
Aug 23 - Sept 22

This week, with the Sun moving into your sign, it's time to reset your expectations. Your engine is about to be kick-started. Get ready to feel good!

Libra
Sept 23 - Oct 22

Your concerns are valid & important. Just because things aren't happening fast doesn't mean you should turn your attention elsewhere. The solution is gradually unfolding.

Scorpio
Oct 23 - Nov 21

This week, as Mars moves into Gemini, if you're brave and honest enough to acknowledge where a situation's going wrong, you'll win the support to put it right.

Sagittarius
Nov 22 - Dec 21

Mistakes can find their way into anything. This week, if you set out to do the best you can do, you'll fix the obvious mistakes, and find a way to live happily with the rest.

Capricorn
Dec 22 - Jan 19

Don't fall into the trap of over-congratulating yourself for something that isn't clever, or of blaming yourself for something that isn't your fault. This week, find a moderate path.

Aquarius
Jan 20 - Feb 18

You're missing an essential piece of information. And it's something you 'should' know. To get your hands on the missing piece of the puzzle, you need to swallow your pride. It's worth it.

Pisces
Feb 19 - Mar 20

Your perception of the future, and the possibilities gains new perspective. You'll realize that you have time to achieve what you want to achieve, and to enjoy the step-by-step process.
