## Emergency dept closed today 'til 5pm

Merritt and area residents are advised of a temporary service interruption to emergency department hours at Nicola Valley Hospital due to a physician vacancy from 8am-5pm today, Wed Feb. 8.

Emergency services will be unavailable and patients can access care at Royal Inland Hospital in Kamloops.

NV Hospital Emergency department services will be available again in Merritt at 5pm Wednesday.

During this time, all other inpatient services will continue as normal at Nicola Valley Hospital.

People in the community who need life-threatening emergency care (i.e., chest pains, difficulty breathing, severe bleeding) should always call 911 for transport to the nearest available and appropriate facility.

Unsure whether an emergency room visit is warranted, call HealthLink BC at 8-1-1, or visit [www.HealthLinkBC.ca](http://www.HealthLinkBC.ca) for non-emergency health info from nurses, dietitians and pharmacists 24 hours a day, 7 days per week.

## Interior Savings

## Million Dollar Bursary

The Interior Savings Million Dollar Bursary Program, now in its 10th year, has been making 1000 bursaries available to students each year, in the amount of \$1,000. One of many investments the member-owned co-operative makes in community, underscoring its' Local Money for Local Good approach. The Bursary is part of the Credit Union's Member Rewards Program, which returns a significant portion of its profits each year to members and the community.

The application process is quick and easy, with high approval rates nearing 75%. Unlike most bursaries and scholarships which require students to write lengthy essays, be top academic achievers, or meet financial criteria, Interior Savings seeks to reduce eligibility barriers and increase access. The bursary only takes about 5 minutes to apply for and is tied to the credit union's free young adult account, which covers members ages 17 to 24. Non-members are also welcome to apply, after opening up a free student account before the February 28 application deadline.

Interior Savings also recognizes the need to support education at various life stages, including mature students, which it promotes through other bursaries such as Lifelong Learners.

With approx. half of the 1000 bursaries still available, anyone with students in their lives – in the Okanagan, Thompson Nicola and Prince George region – is encouraged to help spread the word, ensuring the bursaries are put to good use in the community.

Learn more or apply at [www.milliondollarbursary.com](http://www.milliondollarbursary.com) until Feb 28.
