## TRU Honorary degree for NVIT professor

Thompson Rivers University announced its 4 honorary doctorate recipients for this year's spring convocation.

Among them is Dr. Verna Billy-Minnabarriet, of the St'uxwtews First Nation, a passionate educator who championed Indigenous education, decolonization and economic development in her 35-year career with NVIT and other provincial, national and international associations and boards.

Congratulations, Dr. Billy-Minnabarriet.

## Categories 2 & 3 fire prohibitions

Effective at 12 noon tomorrow Thursday, May 18, Cat. 2 and Cat. 3 open fires, as well as other equipment and activities will be prohibited throughout the Kamloops Fire Centre. This prohibition is being enacted to help prevent human-caused wildfires and protect public safety. It will remain in effect until 12 noon on Oct. 13, or until the order is rescinded.

The prohibition includes burning pile, stubble or grass, fireworks, sky lanterns, binary exploding targets, burn barrels or burn cages of any size or description, and air curtain burners. These prohibitions apply to all public and private land within the Kamloops Fire Centre jurisdiction.

This prohibition does not include campfires 0.5m high x 0.5m wide or smaller, and does not apply to cooking stoves that use gas, propane, or briquettes. FMI www.bcwildfire.ca

## Backcountry access restored after 2021 wildfire closures

Several backcountry roads that were closed to motor vehicles for environmental protection after the 2021 wildfires have reopened.

After a review of fire severity, degree of recovery and restoration activities in the affected areas, the Province has determined the closures can be reduced and, in some cases, removed.

Seven road closures have been rescinded, all within the Thompson-Okanagan region: Nk'Mip, Momich Lake, Two Mile Road, Bunting Road, Hunakwa Lake/Crazy Creek Gorge, Mowhokam Creek and Garrison Lake.

Six of the remaining closed areas are being modified to improve public access while continuing to protect the environment: Sparks Lake, Tremont Creek, Thomas Creek, Lytton Creek/George Road, July Mountain and McKay Creek. Motor vehicles will be permitted within these areas, provided they stay on existing roads and trails. Off-road vehicle use in these areas is still prohibited.

## Seamless Day Kindergarten

School District 58 will be part of an expansion of the 2019 Seamless Day Kindergarten pilot program — though the host school still has not been determined.

Seamless Day Kindergarten integrates before- and after-school care into the kindergarten classroom, delivered by certified early childhood educators (ECEs) who work alongside the classroom teacher. The program makes the best use of available school space, existing classrooms, outdoors, school gyms and libraries outside of school hours.

The Province provided \$3 million in 2022-23 to add 20 classrooms, including Nicola-Similkameen SD58, expanding the Seamless Day Kindergarten to 45 classrooms throughout the province. In 2023-24, \$4.1 million in new funding will be provided to support the Seamless Day Kindergarten pilot.

**Times Change** "I want my children to have all the things I couldn't afford. Then I want to move in with them."

**Defense Contractor** My job is in the Aerospace Industry, and it's always been a challenge to explain what kind of work I do. At one gathering, I tried several unsuccessful attempted explanations before deciding to be as generic as possible. When the subject came up while I was talking with a group of guys, I replied simply, "Defense Contractor." The men nodded, and as the conversation went on, I silently declared victory to myself. Then, one of them turned to me and asked, "So, what do you put up mainly? Chain-link?"

## In memory of Stella Dirksen

## Immigrant services

Kamloops Immigrant Services are resuming their client Outreach Service for the Thompson-Nicola Regional Area (SPOKE) program in Merritt. Settlement & Integration counsellors from Kamloops Immigrant Services will be available in Merritt every second week at the Work BC meeting room, 2099 Quilchena Ave. Aid can also be via telephone, email &/or video calls.

Services are for anyone who is here from outside Canada, including first-generation Canadians. They can help navigate government information; referrals to the community network, programs, and organizations; aid to access employment services and other labour market programs; short-term crisis counseling to support clients who are going through unexpected life changes; English practice services through conversation circles; and connections through virtual activities offered on Zoom.

All services are free to eligible clients. "We are here to help so that people spend less time worrying and become more engaged in the community," said Kate Cheng. She and David Cazares are available by calling 1-866-672-0855, kate@kcris.ca and David.cazares@kcris.ca or visit immigrantservices.ca
