TNRD: 'FireSmart'
your property

TNRD is encouraging residents to take steps to FireSmart their home and property ahead of the summer wildfire season. It is surprisingly easy to do.

The FireSmart Home Ignition Zone has recently been updated, which shows residents how to minimize their home and property's vulnerability to wildfires by addressing threats in each of the 3 priority zones: (0 – 1.5 m): The Immediate Zone is a non-combustible area that starts at the house and extends to the 1.5-metre perimeter around the home and attached structures, such as decks. In this zone, choose non-combustible building materials and vegetation. (1.5 – 10 m): The Intermediate Zone should be fire-resistant and free of combustible materials that could easily ignite. (10 – 30 metres): In the Extended Zone, residents should thin and prune evergreen trees to reduce fire hazards, and regularly clean up accumulations of fallen branches, dry grass and needles from the ground to eliminate potential surface fuels.

To learn more about how to FireSmart your home and property, and to find resources including the FireSmart BC Homeowner's Manual and the Farm/ Ranch Wildfire Plan Guide, visit: tnrd.ca/firesmart.

8:30pm, Merritt Civic Center. Reserve your spot online at www.merritt.ca/firesmartevent

Me: "I'm still tired of all the crossfit this morning." Co-worker: "It's pronounced 'croissant' and you ate four of them."

Handy Man Application A man sees a job advert published on a building site, "Handy man wanted; apply within." The man goes to speak to the foreman and applies. Foreman: "Can you drive a forklift truck?" Man: "No." Foreman: "Can you plaster?" Man: "No." Foreman: "Can you brick lay?" Man: "No." Foreman: "If you don't mind me asking, what's handy about you?" Man: "I only live five minutes down the road."

THIS WEEK'S HOROSCOPE

Aries
March 21 - April 19

You are in danger of encouraging your bad habits and moving away from good ideas. Events, this week, cause you to benefit from questioning an assumption.

Taurus
April 20 - May 20

This week you need to defend the integrity of your beliefs and your ideas. Be as calm and regal as you can be. You'll encourage a surprising, welcome change in someone's attitude.

Gemini
May 21 - June 20

Be cautious of anyone who sees things in black and white this week. The grey space might not look exciting, but it's where real possibilities can be found.

Cancer
June 21 - July 22

There are challenges to meet and tricky questions to respond to. Slowly but surely you'll realize which of these matter and which don't. You'll get a fresh perspective.

Leo
July 23 - Aug 22

You don't need to fulfil ridiculous deadlines. You can do great things this week. If you stand your ground, and state your limits, you can focus on your needs. And achieve them.

Virgo
Aug 23 - Sept 22

We all doubt ourselves sometimes, and it helps when others show their appreciation. Events this week help boost your self-esteem and confidence, enjoy the feeling.

Libra
Sept 23 - Oct 22

This week, you will be able to deal with any tricky issues. Yes, finally! You just need to believe that what will happen next is good!

Scorpio
Oct 23 - Nov 21

This week, the downside isn't anything worth worrying about. You've got the right to be choosy. Don't just do what seems easiest, go for what feels most deeply right.

Sagittarius
Nov 22 - Dec 21

some facts are comforting and some fictions are unnecessarily harsh. This week, you might be wrong about what seems to be wrong! Your outlook is much more positive than you expect.

Capricorn
Dec 22 - Jan 19

This week calls for a statement of your position, followed by a negotiation. And if a difference of opinion is carefully managed, you'll be delighted by what becomes possible.

Aquarius
Jan 20 - Feb 18

Even when a situation contains opportunities we don't always want to seize them. It may seem easier to sit back & let someone else deal with it. But this week, the power is in your hands.

Pisces
Feb 19 - Mar 20

We are much more attracted to naughty things than what is good for us! Go gently this week. No need to expend huge amounts of energy. Good things are naturally unfolding.
