## Britton Crk closed Saturday morning due to flooding

Just after 8:30am Saturday, DriveBC reported that flooding had forced the closure of rest area at Exit 228: Coquihalla Lakes Road, 9km north of the Summit. It was re-opened just before 11am.

## Re: TNRD's Notice of Civil Claim

TNRD issued an explanation regarding their Notice of Civil Claim filed on June 16, 2023. They say that no lawsuit has been initiated.

The Notice of Civil Claim was filed by the Municipal Insurance Association of BC (MIABC), which is the property insurer for the TNRD and Village of Lytton. As the insurance provider, MIABC will pay out damages to the TNRD and Village of Lytton for insured losses that have been suffered as a result of the Lytton fire on June 30, 2021.

After paying out the TNRD and the Village of Lytton claims, the MIABC has the right to subrogation, where they can seek reimbursement from any at-fault parties. The statute of limitation period for civil claims claim is (2) years, and the MIABC has filed this Notice of Civil Claim to extend the timeline by an additional year, up to June 30, 2024, to potentially recover costs from any party that may be deemed to be at fault that are named in the Notice of Civil Claim.

None of the defendants named in this Notice of Civil Claim have been served, meaning that no legal action has been commenced by the TNRD or Village of Lytton.

The TNRD owns the property in Lytton that housed the Village's municipal offices and the TNRD library prior to the Lytton fire. Other losses have been incurred by the Village of Lytton within the municipality's boundaries as a result of the fire.

**The mayor in my city** just passed a law that male best friends have to have lunch together at least once a week. Well, it's not a law, it's more of a mandate.

**Three Men** When I asked my boss for a salary rise because I was doing the work of three men. He said he couldn't increase my pay, but if I told him the names of the three men he'd fire them.

# THIS WEEK'S HOROSCOPE

 <p><b>Aries</b> March 21 - April 19</p> <p>If you're 'making do' with a temporary, unsatisfactory filler in your world, this week brings the courage to let it go. You'll like what happens next.</p>	 <p><b>Taurus</b> April 20 - May 20</p> <p>Take action to improve your wealth. But separate the process this involves from another source of irritation: the latter needs a psychological solution (not a physical one).</p>	 <p><b>Gemini</b> May 21 - June 20</p> <p>There's so much going on in your world that you're struggling to do anything. Try trusting your intuition this week. It knows exactly what you need to do.</p>	 <p><b>Cancer</b> June 21 - July 22</p> <p>You can make happen anything you want to make happen. So be careful about what you want to happen! If you're conscious of your power, you can use it in a liberating way.</p>
 <p><b>Leo</b> July 23 - Aug 22</p> <p>This week, you can plug into your creativity and think outside the box. A change of approach will do the trick. With new perspective, you can weave and work magic.</p>	 <p><b>Virgo</b> Aug 23 - Sept 22</p> <p>The world is full of supposedly 'instant solutions', but you don't have a problem. You just have a process to go through. Don't let doubt overwhelm you when a positive reward awaits.</p>	 <p><b>Libra</b> Sept 23 - Oct 22</p> <p>Neither of the options you're facing seem to offer ideal solutions to your dilemma. But if you look for the positive, the difficulty you're anticipating will be replaced by something good.</p>	 <p><b>Scorpio</b> Oct 23 - Nov 21</p> <p>Ideas can produce different outcomes &amp; may not match our original plans. But they're still worth celebrating. This week, you see the results of an effort you started a while ago.</p>
 <p><b>Sagittarius</b> Nov 22 - Dec 21</p> <p>Step away from the demands on you, &amp; you can see your issues with fresh perspective. If you go through the week with that attitude, you'll find innovative ways to instigate positive change.</p>	 <p><b>Capricorn</b> Dec 22 - Jan 19</p> <p>There's no point feeling disappointed about something you can't change (or have) when there are so many positive opportunities to explore this week.</p>	 <p><b>Aquarius</b> Jan 20 - Feb 18</p> <p>This week, don't be too quick to dismiss whatever bubbles up from the back of your mind - or a surprising idea from someone else.</p>	 <p><b>Pisces</b> Feb 19 - Mar 20</p> <p>Make choices that are in the best interests of everyone. If you're as wise and thoughtful as you can be, your abilities can be used to great effect this week.</p>
