Andrea Rogers
March 25, 1929 - June 25, 2023

Andrea Rogers' family is saddened to announce her passing on the evening of Sunday June 25th, in Kamloops, where she'd resided for the past 8 years. Andrea grew up in the Apeldoorn, Holland, and lived under Nazi occupation during the Second World War. In April 1945, Holland was liberated by Canadian forces, who were greeted as heroes. That year, at the age of 16, Andrea met her future husband Norm Rogers during a chance meeting — he a Canadian soldier, she a local teenager. After the war, he returned to Canada, but they corresponded for 3 years, and one day, one of his letters contained a marriage proposal. They were married a month after Andrea's arrival in Canada. And after a few years transferring around BC with his Overwaitea Foods job, they settled in Merritt in 1955 — a home in which they could raise their son Robert.

Merritt was an adjustment for a worldly young European woman, but Andrea found her place in the community as a piano teacher. Later, she joined the local quilter's guild and found an outlet for her creative side as an artist, artisan, and couturière. One of her most visible contributions was a quilt which hung in the 2-storey space at City Hall. Andrea made it in honour of the 50th anniversary of VE-Day in 1995, and presented it to the local legion. It hung in the foyer of the new city hall for many years, full of symbolism & anecdote as so many art quilts are. Andrea was a strong woman, and a BC pioneer in her own way. She was a supporter of the arts and her favourite organizations, an engaged music teacher for decades, and a loyal friend. Andrea will be sadly missed.

Thank you, so much

...to everyone for their prayers, love and support, as we make the journey of Andy's passing.
*Love & blessings,
Joan Bisson and Family*

Bodies of missing fishermen recovered

The bodies of the fishermen that went missing at Stump lake on June 19, 2023, have been recovered.

On June 29, the RCMP Underwater Recovery Team located the bodies of the missing fishermen and their boat. The BC Coroner Service has now taken conduct of the investigation.

"Our hearts go out to the families that are grieving after this tragedy". Says S/ Sgt. Joshua Roda. "We want to thank the public for all the information they provided during the search".

Why do squirrels swim on their backs? To keep their nuts dry. (Thanks, Ross)
If a woman has to choose between catching a fly ball and saving an infant's life, she will choose to save the infant's life without even considering if there are men on base.

It is inhumane, in my opinion, to force people who have a genuine medical need for coffee to wait in line behind people who apparently view it as some kind of recreational activity.
