Kookipi Creek in Nahatlach Park, near Boston Bar, 45 minutes north of Hope

The wildfire responsible for the huge swath of smoke & blood-red sunset yesterday in the Nicola Valley is at Kookipi Creek in Nahatlach Park near Boston Bar. It was mapped at 2000 hectares (at 10:30pm Thursday evening), and is considered 'Out of Control'. It is continuing to spread and is not responding to suppression efforts.

And with instability near and behind the cold front that came in overnight, the main hazard is localized severe winds with speeds up to or above 70 km/h and dry lightning (lightning that comes with little or no rain). Drought-stricken trees will be more susceptible to winds.

Level 5 watering restrictions now in effect

Level 5 watering restrictions define NO LAWN WATERING and NO GARDEN SPRINKLERS. Flowers, trees, and shrubs can no longer be watered using potable City water. Residents may collect grey water, such as when washing dishes, to use for non-food-producing outdoor plants.

Only VEGETABLE gardens and fruit trees can be HANDWATERED with a hose with an automatic shut-off valve or by drip irrigation system.

OUTDOOR WASHING is NOT PERMITTED unless ordered by a regulatory authority. Washing vehicle windows is permitted for safety reasons. Commercial car washes remain open.

Pools and hot tubs can NOT be topped up or filled.

Bulk water usage is NOT PERMITTED, with the exception of drinking water. Key FOBs will be turned off.

NV Tourism Club

With the goal of building a stronger connection with tourism and business stakeholders in the community, Experience Merritt & Tourism Nicola Valley have big ideas for new members.

They aim to bring together different tourism stakeholders every month to learn of the many advantages of tourism in the valley, their website, and live travel talk community, how to use their marketing tools, utilizing their algorithms to work for you, learn about content marketing, social media and search engines, review results and case studies and why, brainstorm tourism initiatives to work amongst the group and to present to Tourism Nicola Valley Board.

They're facilitating the community to work together to promote tourism innovation, projects and to assist each other in community initiatives. Then to blast it out on social media and search engines as a group, and publish it throughout the Experience Merritt website, becoming part of the website, while promoting the contributor's business and marketing pages.

It's leading edge tourism promotion... contact tourism@nicolavalley.com/membership-env/

My wife likes to tell me my shoes are untied while we're doing our morning jog. It's kind of a running joke.

The best way to make somebody remember you is to borrow money from them.

A guy goes to visit his grandmother and he brings his friends with him. While he's talking to his grandmother, his friend starts eating the peanuts on the coffee table, and finishes them off. As they're leaving, his friend says to his grandmother, "Thanks for the peanuts." She says, "No problem, since I lost my dentures I can only suck the chocolate off 'em."

How do you spell uninhabited with two letters? MT

Where did the knight go to buy his desert transportation? To the camel lot.
