Deadline extended for public input on Disaster Financial Assistance

People who want to help shape and improve how the Province provides financial support following a disaster now have until the end of January 2024.

The Disaster Financial Assistance program helps people, small businesses, charitable organizations and communities cover disaster-related losses that are not readily insurable. This may include the replacement of personal items, building repairs and debris removal.

A new regulation is being developed to revamp the Disaster Financial Assistance program through extended public engagement allowing people, communities and small businesses to share their experiences and provide written feedback to help inform new policies. The engagement has been extended one month until Jan. 31, 2024.

The regulation will be made under the new Emergency and Disaster Management Act, which became law on Nov. 8. It incorporates lessons learned from recent emergencies and reflects modern risks and realities, including climate change. The legislation adheres to the United Nations' best practices for disaster-risk reduction and incorporates all four phases of emergency management: mitigation, preparedness, response and recovery.

To participate in the public engagement, visit: <https://engage.gov.bc.ca/emergencymanagementregulations> and paid for by noon the day of the tour — \$5 which will be donated to the Food Bank (tickets available at the transit system office at City Hall). Meet at City Hall parking lot at 5:45pm, tour leaves at 6pm & lasts approx. 2 hours. FMI 250-378-4080.

Christmas Choir

I used my best shower singing voice and did an audition try out to become a member of the local Christmas choir. After the audition, I asked the director how I did. He said, "I will have you sing tenor." "You mean right next to the baritones?" I asked. "No," he said, "I mean you should sing ten or more feet away from the choir."

Shrink rap

Two Hollywood stars ran into each other at the door of their psychiatrist's office. "Hello, there," said one. "Are you coming or going?" "If I knew that," said the other, "I wouldn't be here." (—The American Weekly, November 1958)

THIS WEEK'S HOROSCOPE

Aries

March 21 - April 19

This week brings opportunities to learn and benefit (both emotionally and materially) from new discoveries. Stay open-minded. And listen. You'll love what's in store.

Taurus

April 20 - May 20

You're feeling more optimistic than a few months ago. Events this week will help you feel as if the future's going to be good. And the rest of December promises to be fun!

Gemini

May 21 - June 20

This week brings an understanding of something you've never 'got' before. Your ideas about the future are based on incomplete info. Expect a better, brighter, easier road ahead.

Cancer

June 21 - July 22

This week is like you're just back from holiday, with fresh perspective on a familiar situation. What you're realizing could change the whole of the rest of your life... for the better.

Leo

July 23 - Aug 22

This week, you'll see how far you've moved on, how well you've done. And if you're worrying about one particularly difficult juggling act, stop! You'll pull it off with style.

Virgo

Aug 23 - Sept 22

This week, allow yourself to be unsure of things that seem beyond question. Give your inspiring dreams a chance to persuade you they're viable. You'll enjoy it more than you expect.

Libra

Sept 23 - Oct 22

This week, you'll become aware of all you've learned. And your awareness means that the excellent and clever choices you make this month guarantee that positive options lie ahead.

Scorpio

Oct 23 - Nov 21

The pressure is easing off, the tension dissipating. This week, there's a strong indication of comfort & prosperity; attraction & invitation. December brings good company and fun.

Sagittarius

Nov 22 - Dec 21

When up against seemingly impossible odds, superheroes go through doubt, like they've met their match. Your life this week might fit this storyline. But the outcome? You'll be triumphant!

Capricorn

Dec 22 - Jan 19

This week, make a break for freedom. Don't be afraid of contravening worn-out laws. If you do what you feel is right (not what you feel you 'should' do) you'll have a great month.

Aquarius

Jan 20 - Feb 18

You've been dealing with a lot of stress recently. Although you've handled it well, you're finding it hard to let go of the adrenaline. This week brings real chances to ease off and enjoy yourself.

Pisces

Feb 19 - Mar 20

This week you can breathe new life into a new hope or plan. Just don't take things too far, too fast. And don't overexert yourself when all you need do is relax.
