Centennials switch from BCHL to KIJHL

After an "in-depth analysis", the Centennials Board of Directors made the difficult decision to withdraw from the BCHL on Sunday.

"The Board members past and present have worked extremely hard to maintain 51 continuous years of operation in the BCHL but have finally conceded that continuing into the future is no longer viable", said Merritt Centennials Hockey Club President Ken Carruthers.

The same day, the Kootenay International Junior Hockey League announced an expansion franchise for the Centennials, who will replace the Summerland Steam following that franchise's relocation to Williams Lake.

The Cents will move to private ownership, under the leadership of Brad Anstey & Daniel Schofield. They'll retain the name, and continue to play in the NV Memorial Arena, having secured a new 5-year lease agreement for the facility.

The Cents ended the regular season in 6th place, and will play the Salmon Arm Silverbacks (in 3rd place in the regular season) in the playoff series. Their first game is this Fri, April 5, in Salmon Arm.

TMX wraps up

Approx. 185km of pipeline construction is now complete between Black Pines and the Coquihalla Summit. Though that's done, there will still be smaller work crews returning to finish right-of-way cleanup and reclamation.

TMX general contractor, Surerus Murphy Joint Venture has left a lasting impact in the Kamloops and Merritt areas with employee-led community donations totalling more than \$1 million, and by supporting local lemonade stands, responding to wildfires and volunteering with local organizations to make meals for disadvantaged individuals.

TransMtn says they look forward to continuing as good neighbours.

By-election candidate

The Merritt & District Chamber of Commerce will host an all-candidates forum this evening, April 3, 5:30-8pm at the Civic Centre. All 4 of the candidates vying for the empty seat on City Council are expected to attend.

The candidates are: Yvette Baxter, MJ Phillips, Peter Coghill and Norma Jean Littleton. Members of the public will have a chance to submit questions for the candidates at the meeting, or in advance by emailing chamberevents@ merrittchamber.com

Open house: 5-year financial plan

'One Book, One Community'

The Thompson-Nicola Regional Library announced Michael Christie's national bestseller and award-winning novel Greenwood as this year's 'One Book, One Community' shared reading experience that promotes Canadian authors and their sto-

ries, provokes discussion, and builds understanding. Greenwood weaves family history with the timeless beauty of Vancouver Island's oldgrowth forests, explores complex family dynamics, intergenerational relationships, and

the profound impact of tree loss in British Co-

lumbia. Michael Christie will read at select TNRL libraries between May 3 and 7, including an evening event at the Paramount Theatre on Monday, May 6. A writing workshop will be held at the Kamloops Library on Sunday, May 5.

He will be at the Merritt Library on Friday, May 3, 11am-12:30pm. Greenwood is available in various reading formats at the library or online by visiting tnrl.ca.

I love the way the Earth rotates. It literally makes my day.

Three Irishmen Three Irishmen, Paddy, Sean and Shamus, were stumbling home late one night and found themselves on the road which led past the old graveyard. "Come have a look over here," says Paddy, "It's Michael O'Grady's grave, God bless his soul. He lived to the ripe old age of 87." "That's nothing," says Sean, "here's one named Patrick O'Toole. It says here that he was 95 when he died." Just then, Shamus yells out, "But here's a fella that died when he was 145 years old!" "What was his name?" asks Paddy. Shamus lights a match to see what else is written on the stone marker, and

exclaims, "Miles, from Dublin."
