Yvette Baxter wins council seat in by-election

Congratulations to Yvette Baxter, who received 229 votes in Saturday's by-election. Peter Coghill received 75, Norma Jean Littleton received 30, and MJ Phillips received 26.

With just 360 votes cast, out of the 5514 estimated eligible voters (from the last municipal election), this by-election had a voter turn-out of just over 6%.

B.C. plants its 10-billionth tree

Last week, BC celebrated the 10-billionth tree planted since reforestation programs began in 1930, with two billion of those trees planted in the past seven years.

Last year, 305 million seedlings were planted in BC forests. One of these seedlings was the 10-billionth planted since work began almost a century ago. In honour of this milestone, Ralston planted a ceremonial tree in Surrey's Green Timbers Urban Forest Park. The park, dubbed the "birthplace of reforestation," is home to the Province's first reforestation efforts in 1930.

Forest tenure holders have been legally required to undertake reforestation efforts since 1987. In 2024, 235 million of the 290 million seedlings expected to be planted will be done through forestry companies, with an additional five million planted by First Nations.

plex family dynamics, intergenerational relationships, and the profound impact of tree loss in BC. Michael Christie will read at the Merritt Library on Friday, May 3, 11am-12:30pm. *Greenwood* is available at the library or online by visiting tnrl.ca.

'Reduce Your Wildfire Risk' presentation This presentation will delve into everything FireSmart, providing info on preparing their properties and residences for the upcoming fire season. Collaborating with TNRD, attendees will learn practical strategies to mitigate wildfire risks. The presentation will also touch on tackling invasive plant species and waste reduction. May 7, 6-8pm at the Civic Centre.

I'm sorry and I apologize mean the same thing, except at a funeral

I went into the bookshop and asked the woman for a book about turtles. She asked: "Hard-back?" and I replied "Yeah, and little heads."

When you have two choices and you take one away, you have zero choices.

What's the difference between deer nuts and beer nuts? Beer nuts are a \$1.75, but deer nut are under a buck.

Shout out to the people asking what the opposite of in is.

THIS WEEK'S HOROSCOPE

Aries

March 21
- April 19

You've had a lot to deal with. All things considered you've done amazingly. This week brings improvement, residual difficulties will soon transform. There will be recognition for your efforts.

Taurus

April 20 -
May 20

Something is irritating you. You're dealing with a situation that feels unfair, which you don't know how to fix. But you can trust that whatever happens, the outcome will be pleasing.

Gemini

May 21 -
June 20

There are issues to face, and problems to sort out, but you don't need to worry so much. If you can request the help you need, you'll be delighted by how well things go.

Cancer

June 21 -
July 22

Life is about to get easier. The worst is over. Yes, there are challenges to deal with, but you start to see what they're in aid of. This week, a change in your emotional weather forecast.

Leo

July 23 -
Aug 22

Be careful about jumping to conclusions & making assumptions. You suspect a proposal is a waste of time, yet the resemblance to other times is misleading. Be optimistic this week.

Virgo

Aug 23 -
Sept 22

No matter how well-prepared you are, there are going to be surprises & challenges. You might need to rethink some of ideas. But that's OK. You'll end up stronger and happier.

Libra

Sept 23 -
Oct 22

Shake off that sense of guilt. This week brings reasons to celebrate your achievements. Your task is to let yourself off the hook you've put yourself on, and move on.

Scorpio

Oct 23 -
Nov 21

This week offers a chance to change your perception. It brings a glow into any dark corners, and lights up opportunities — which you deserve to take.

Sagittarius

Nov 22 -
Dec 21

Unpredictable situations are guaranteed to pop up. But the spark of sunshine within you will empower you with the resources to deal with whatever comes your way.

Capricorn

Dec 22 -
Jan 19

You're putting things in the right place in your world. It's not particularly exciting, but it's important. What you're doing will stand you in good stead, for a long time to come.

Aquarius

Jan 20 -
Feb 18

This week, accept that success and happiness don't depend on having all the answers. Follow your heart this week. It knows exactly what choice you need to make.

Pisces

Feb 19 -
Mar 20

You've still got problems to solve and issues to deal with. But this week your sense of responsibility will lessen. There's not as much riding on your shoulders as you think.
