## The Opie Show

The NVCAC, in cooperation with David Oppenheim, present a new art exhibit, *The Opie Show: A Tribute to Opie Oppenheim*, May 2-June 2, at the Arts Centre beside Kekuli Cafe.

This art show exhibits more than 30 works by Opie Oppenheim, who passed May 15, 2021.

Opie was known by many people in the valley, for his art, his flute music, his flute making, carvings, and fine silver jewelry. He was also known for his entertaining and touching stories. Opie talked about the meaning in all of his art pieces, and shared his life and personal experiences. And Opie's art & stories & music found huge success beyond the Nicola Valley, across the country, as well.

The works in this exhibit are prints and lithographs of his beautiful paintings, and other pieces, many for sale.

For the reception on Friday, May 3rd, 4-7pm, David will bring several special pieces including a nine foot carving. Please join in to see the art show, share stories about Opie, and enjoy refreshments — bannock and flute music!

There will also be an Open House on Take Down Day, Sunday, June 2, 1-4pm. Organizers are hoping to catch as many people as possible.

Right: Opie in Voght Park for Aboriginal Day, 2014.

## Community

### City of Merritt open house

The City is working on several projects of interest to the public, such as our water systems and flood recovery. They will host an open house with info about ongoing projects — public works, roads, development, planning, GIS mapping, permitting, FireSmart, emergency preparedness, recreation, finance, and careers, etc. The public is invited to attend on Wednesday, May 1, 4-8pm at the Civic Centre. Senior staff will be available to explain functions, progress, and address questions.

### 'One Book, One Community'

The time is now confirmed: Michael Christie with his national bestseller and award-winning novel *Greenwood* will be at the Merritt Library on **Friday, May 3, 1-2:30pm**. This as part of this year's 'One Book, One Community' shared reading experience. *Greenwood* is available at the library or online by visiting [trnl.ca](http://trnl.ca).

### 'Reduce Your Wildfire Risk' presentation

This presentation will delve into everything FireSmart, providing info on preparing their properties and residences for the upcoming fire season. Collaborating with TNRD, attendees will learn practical strategies to mitigate wildfire risks. The presentation will also touch on invasive plant species and waste reduction. May 7, 6-8pm at the Civic Centre.

Nothing is impossible. The word itself says "I'm possible."

## THIS WEEK'S HOROSCOPE

<p><b>Aries</b>                  March 21 - April 19</p> <p>Don't succumb to the pressure. Your deadlines in May are more flexible than they look. The more thoughtfully and purposefully you invest your energy, the more you'll get right.</p>	<p><b>Taurus</b>                  April 20 - May 20</p> <p>Welcome laughter &amp; joy into your world. Don't force any issues, or be overwhelmed by negative emotions. Trust that magic is hidden within any turbulence or challenge.</p>	<p><b>Gemini</b>                  May 21 - June 20</p> <p>Happiness is not a 'bit' more important than wealth and power; without it, achievements lack true meaning. And when we're happy, we attract what we truly need. So prioritize happiness.</p>	<p><b>Cancer</b>                  June 21 - July 22</p> <p>If there's uncertainty this month, try being comfortable within it. If you're unsure about the path ahead it doesn't mean that it's not taking you to a delightful destination.</p>
<p><b>Leo</b>                  July 23 - Aug 22</p> <p>You're better connected than you think, and there are opportunities to use those connections to make progress. Think carefully about your requests, and choose the right moment.</p>	<p><b>Virgo</b>                  Aug 23 - Sept 22</p> <p>You'll have a realization that enables you to recognize a pattern and react differently. To make things different in the future, break a habit. And direct your life more positively.</p>	<p><b>Libra</b>                  Sept 23 - Oct 22</p> <p>Several issues in your world feel precarious. But that doesn't mean there's anything wrong. Trust what inspires you (and question what worries you), and you can triumph.</p>	<p><b>Scorpio</b>                  Oct 23 - Nov 21</p> <p>Focus on what's truly important, and you'll access an idea about how things can be very good indeed. To recognize it and implement it, trust in what you think and feel.</p>
<p><b>Sagittarius</b>                  Nov 22 - Dec 21</p> <p>Don't engage in needless debates this week. You could waste valuable energy getting caught up in unnecessary dramas. You've got better things to do. Tap into your wisdom.</p>	<p><b>Capricorn</b>                  Dec 22 - Jan 19</p> <p>Even if you're unsure about other people's decisions, it's a good idea to go with the flow. Relax, and take the pressure/responsibility off and you'll be delighted with what evolves.</p>	<p><b>Aquarius</b>                  Jan 20 - Feb 18</p> <p>If a situation feels 'wrong' this week, don't just dismiss it. As long as you're prepared to look for constructive ways to move forward, you'll find an abundance of them.</p>	<p><b>Pisces</b>                  Feb 19 - Mar 20</p> <p>You've been through a lot lately. But you've also got reasons to feel positive. Despite your concerns about what's going on in your life, you'll find that everything gets much easier.</p>
