Police seeking dark truck seen near fire

The Merritt RCMP are seeking any information and video pertaining to a structure fire that destroyed two abandoned houses off Midday Valley Road.

On June 17, shortly after 2am, Merritt Front Line Officers were called to a structure fire at an abandoned house off Midday Valley Road. The fire quickly spread to another abandoned house next door, engulfing both buildings in flames.

Due to the quick response of the Merritt Fire Department, both fires were held before they spread to the third abandoned building next door.

"A witness observed a dark pick up truck pull up to the structures shortly before 2am" says S/Sgt. Josh Roda. "A few minutes later the structure was on fire and the pick up truck fled the area at a high rate of speed. We would like to identify and speak with the occupant of the truck to determine what may have occurred."

Police are asking anyone with information or anyone person or business that may have video of the dark pick up truck driving toward or away from the area, to call the Merritt RCMP 250-378-4262.

Grant to speed up housing development

Merritt, along with 38 other local governments will soon receive a grant to create more efficient development approvals processes.

The Local Government Development Approvals Program, administered through the Union of British Columbia Municipalities (UBCM), was created to help local governments implement best practices and develop innovative ways to support non-profit housing organizations, developers and other stakeholders to speed up the delivery of homes.

Merritt will receive \$150,000, the maximum grant.

New rules to speed up housing development

New regulations are in effect to standardize and improve community planning in the province and make it easier to get more homes for people built faster.

Last fall, the Province made legislative changes to facilitate the delivery of more housing and provide more certainty and transparency of rezoning processes instead of a drawn-out, costly and restrictive approach. This shift involves more upfront community planning by local governments and improvements to outdated zoning rules, which will make it easier to increase different types of housing in the province.

The Province has adopted a new approach to preparing housing needs reports (HNR) as part of the new community planning process. Local governments will continue to complete HNRs every five years and will now be required to use a new provincial standardized

bust, comparable and consistent approach to identifying the number of housing units to address current and anticipated needs over five and 20 years in each community. Other changes include a new requirement to include information about the need for housing close to transit, cycling and pedestrian infrastructure.

Boat Number 99 At a boat rental concession, the manager went to the lake's edge and yelled through his megaphone, "Number 99, come in, please. Your time is up." Several minutes passed, but the boat didn't return. "Boat number 99," he again hollered, "return to the dock immediately or I'll have to charge you overtime." "Something is wrong here, boss," his assistant said. "We only have 75 boats. There is no number 99." The manager thought for a moment and then raised his mega-phone. "Boat number 66!" he yelled. "Are you having trouble out there?"

Wildfire Community Preparedness Day

The City of Merritt's Fire Dept will host Wildfire Preparedness Day on June 22 at Central Park, 11am-5pm. This free event promises live music, a truck pull contest, food from local vendors, prizes, face painting, and balloon animals. It will also feature vendors supporting the FireSmart Program, offering vital information on community wildfire preparedness. Come have fun, and learn about essential steps to tackle upcoming wildfire seasons. Plus, residents can take advantage of free yard waste bins provided at the event, ensuring a convenient way to dispose of yard waste. Don't miss out on this opportunity to enjoy a fun-filled day while boosting our readiness for wildfire season.
