# DIY Air Cleaner

## 1x1 Building Instructions

### Materials You Will Need

Note: Use a new, clean fan in good condition.

- Take the fan out of its box.  
  
Find the feet of the fan attached to the handle. Twist apart and forcefully slide into slots found on the bottom of the fan.
- Find the directional arrow on the side of the filter. Place arrow facing the back of the fan.
- Lay the fan face down.  
  
Duct tape the filter directly to the back of the fan. Seal all sides thoroughly to prevent gaps.

Tip: The front of the fan includes the logo

### Using Duct Tape To Make The Shroud

- Lay the fan face up on your desk.  
  
Tape around the front of the fan, creating a border. Measure 2.5" from the outer edge of the unit on each side. Multiple strips of tape will be needed.
- Tape the corners of the front of the fan. Measure 5.3" from the outer edge.
- Add more duct tape as needed to close all gaps around the edges and corners.

What Is A Shroud?  
The shroud stops air from being recaptured into the fan from the corners, which would reduce its effectiveness.

## NV Hospital ER closed 26hrs, until Saturday morning

Merritt and area residents are advised of temporary changes to emergency department hours at the Nicola Valley Hospital and Health Centre due to limited physician availability.

Emergency services will be unavailable from 6 a.m. on Friday, July 19 to 8 a.m. on Saturday, July 20, 2024. Patients can access care at Royal Inland Hospital in Kamloops during this time.

## Dike walking path adjacent Public Works Yard closed

There will be no public access at the end of Quilchena Ave, along the river, and up to the intersection of Main St. and Canford Ave., due to Flood Mitigation Repairs in the area.

The public should expect increased traffic along major roads in the City, along Quilchena and Main, as well as in and around the Public Works Yard.

This work is expected to be completed October 2024.

## Build yourself a DIY air cleaner

Most of the smoke drifting into the Nicola Valley is from the newest, biggest Shetland Valley fire, between Lytton and Cache Creek. Though some smoke is forecasted to be carried up from fires in the western US.

The BC Lung Foundation has partnered with The Pacific Institute on Pathogens, Pandemics and Society (PIPPS) to develop an inexpensive & efficient DIY air cleaners to improve indoor air quality — from fire smoke or airborne pathogens.

For communities who have not been able to have access to their workshops, they also have video & simple written instructions on building your own air cleaner. The shopping list includes a box fan (\$50), a MERV-13 filter (\$25), duct tape, and a few simple tools.

You can find all the details: [bclung.ca/diyaircleaners](http://bclung.ca/diyaircleaners)

## Emergency Operations Centre funding

With provincial funding for emergency operations centres, Merritt will receive \$29,115 for their EOC capacity building project 2024.

Emergency operations centres (EOCs) are essential for emergency response, acting as the main hub where local leaders and representatives work together to co-ordinate plans and resources. They help to protect communities during emergencies by providing crucial support to first responders and ensuring a unified and efficient response to crises.

The Province is providing approximately \$1.4 million to 29 BC communities for emergency preparedness, including new supplies for local EOCs and training exercises to support staff and increase efficiency.

### Steve Martin Quotes

A day without sunshine is like, you know, night.

First the doctor told me the good news: I was going to have a disease named after me.

I will do anything to look like him - except, of course, exercise or eat right.

I thought yesterday was the first day of the rest of my life but it turns out today is.

Some people have a way with words, and other people...oh, uh, not have way.

## Neil Menard

Neil Menard passed away this week, at the age of 80.

Neil was elected Mayor in November 2014, after winning a byelection in that February. He was a straight-talking no-nonsense man-of-the-people type of Mayor, and won with nearly twice the votes as the next candidate.

He was also a huge community supporter, served as President and Governor of the Merritt Centennials, and worked with Nicola Valley Search and Rescue.

Neil had recently been ill.
