## MP Dan Albas' address to the House of Commons

"Mr. Speaker, Imagine living in a rural community like Merritt or Princeton, B.C. You work hard, pay your taxes, but see little return from Ottawa. In 2021, these communities were devastated by massive floods. The Prime Minister told them "that he had their backs". Ministers visit, telling them to hang tight for their new Disaster Mitigation and Adaptation Fund. The municipalities' apply, jump through every hoop, spending hundreds of thousands in engineering studies only to be denied. Adding insult to injury, communities that never experienced flooding or fires are receiving funds, while Merritt and Princeton are left behind.

Every member here should know that people in these communities are angry at these broken commitments. It's gotten so bad that Merritt has created an e-petition, calling on the Government to honour its promises. I encourage all concerned citizens to support petition e-5135. If being Canadian means anything, it means looking after one another. I remind the Prime Minister that it is never too late to do the right thing for Merritt and Princeton."

— Dan Albas, MP, Central Okanagan—Similkameen—Nicola

## Community Merritt Community Choir

### YMCA's resource centre grand opening

Tomorrow, Tuesday, Sept. 24, 2-4pm, the YMCA's new Merritt Child Care Resource and Referral (CCRR) office will hold their grand opening at 2990 Voght St., in the Crossroads Church. Parents and community members can stop by to learn more about the services being provided in the Merritt and Princeton area.

The prov. government has mandated an office in every school district across the province. And most of the services offered will be free, such as the lending library, the drop-in centre, and most of the training that will be offered.

### Fraud Protection Seminar

Join the Merritt Library for an informative free seminar on fraud protection, presented by local professional accountant, Carrie Ware. It will be held Thursday, September 26, 11am-12noon in the Meeting Room at the Merritt Library. The session is offered through the Financial Literacy Program at the Chartered Professional Accountants of BC.

### Garlic Festival

It's Garlic Fest time! Sept 28 & 29, Sat 9am-5pm, Sun 9am-3pm. Come on out for all the fun we've come to expect!

## Resolutions about toxic drug crisis from Kamloops, Merritt earn UBCM support

"Local government representatives from across B.C. have supported a pair of resolutions from Kamloops and Merritt calling for a more balanced approach to the toxic drug crisis and requesting statistics about the province's drug decriminalization pilot program. The Kamloops-sponsored resolution said local governments need the province to "move from reaction to action" on the toxic drug crisis with a plan that balances prevention, harm reduction, treatment and recovery, and enforcement — often known as the four pillars approach.

The Merritt-sponsored motion recommended calling on the province to ask the Ministry of Mental Health and Addictions to create a dashboard with data about the decriminalization pilot program.

Merritt Mayor Mike Goetz said the motion was put forward to complement Kamloops' recommendation about the four-pillar approach to the toxic drug crisis. Goetz said more information is needed to find the best way forward."

— Kristen Holliday, excerpts from [www.castanetkamloops.net/news/Kamloops/507483/Resolutions-about-toxic-drug-crisis-from-Kamloops-Merritt-earn-UBCM-support](http://www.castanetkamloops.net/news/Kamloops/507483/Resolutions-about-toxic-drug-crisis-from-Kamloops-Merritt-earn-UBCM-support)

**A Vegan and A Programmer** What's the difference between a vegan and a computer programmer? One is disgusted by a rack of lamb and the other is disgusted by a lack of RAM.

**Loaning Weight** I never actually lose weight anymore. Apparently, I just loan it out and it comes back with interest. And lately, I have been getting great rates of return!

**A Psychic In A Bad Mood** Went to see a psychic who was in a bad mood... ..then I saw a clairvoyant who was really grumpy. I'm just trying to find a happy medium

## THIS WEEK'S HOROSCOPE

 <b>Aries</b> March 21 - April 19 Turn your attention to the issue that's taking up so much of your time & energy. Does it deserve so much attention? This week brings perspective. If you see it as small, you'll easily deal with it.	 <b>Taurus</b> April 20 - May 20 Your patience has been stretched to the max. This week, with just a small change in your attitude you'll be able to spot a big silver lining in a relatively small cloud.	 <b>Gemini</b> May 21 - June 20 Does everything have to be one way or another? This week, you'll find it easier to find a balanced way of thinking. Stop swinging between extremes, you'll start making great progress.	 <b>Cancer</b> June 21 - July 22 Your current challenge might seem big. But without backing away from it you can find the a way to deal with it. The Equinox brings support and know-how to get to the top.
 <b>Leo</b> July 23 - Aug 22 This Equinox week, it's filling you with inspiration. If you seek the right kind of changes in your world, you'll find harmonious ways to fulfil them.	 <b>Virgo</b> Aug 23 - Sept 22 This week, it's by revealing your vulnerability that you're going to succeed. You don't need to fight to make progress. Accept your weaknesses & you'll access your strengths.	 <b>Libra</b> Sept 23 - Oct 22 Sometimes, no matter how much effort we put in, we struggle to make progress. This week, a process of change begins. Watch clouds frustration evaporate. And blue skies of hope appear.	 <b>Scorpio</b> Oct 23 - Nov 21 You clearly know what you want this week to bring. If you dream big, there's a surprisingly good chance your dream will come true.
 <b>Sagittarius</b> Nov 22 - Dec 21 This week brings insight to read between the lines. Someone has info that can help you. But it won't come in a straightforward way. Listen closely and what you learn could be life-changing.	 <b>Capricorn</b> Dec 22 - Jan 19 This week, if you experiment with a few innovative ideas, you'll find a new way of looking at a situation... and a more inventive, easier way of moving forwards.	 <b>Aquarius</b> Jan 20 - Feb 18 Even if there are some bigish problems, you're more than equipped to overcome them. What's stopping you from making progress is self-doubt. If you banish that, the sky is the limit.	 <b>Pisces</b> Feb 19 - Mar 20 Challenges might be tough to deal with, but they're forcing you to access your creativity and to think outside the box. And that's where the blessings are waiting to be discovered.
