Dog seized after being dragged behind vehicle

BC SPCA animal protection officers seized a young collie-mix male dog who was dragged behind a vehicle in Merritt. “This is such a sad story. The dog had been tethered to a vehicle,” says Eileen Drever, senior officer, protection, and stakeholder relations for the BC SPCA. “Someone got into the truck and drove off, dragging him for about 200 metres. He has abrasions to his front and back paw pads and hocks, (the joint between the dog’s hind leg and foot) and his nails were shredded. He is also under weight with a body score of two out of nine, which is very thin.”

Officers transported the dog to a veterinary clinic in Kamloops where radiographs were taken to assess any internal damage that may have been caused during the incident. No internal injuries were found, and Sunny, as named by BC SPCA staff, was treated for the abrasions to his paw pads and bruising. He was prescribed antibiotics for the infection to his carpal pads, which are located just above the foot on some breeds of dogs. He was also given medication to treat his pain while he is healing.

As this is an ongoing investigation, it is not known when Sunny will be available for adoption. The BC SPCA will be recommending charges to Crown Counsel, pursuant to the Prevention of Cruelty to Animals Act.

'Person of interest' in woman's disappearance found dead in Merritt last year

Port Alberni RCMP have released new information and a timeline of Amber Manthorne's 2022 disappearance in an effort to bring Amber home and give her family some closure.

Police on Wednesday, Oct. 16 issued a public appeal for more information in the Port Alberni woman's disappearance, which they now believe to have been a result of foul play.

Police said that Amber's boyfriend, Justin Hall, is a person of interest in her disappearance. However, they confirmed he was located deceased in Merritt, B.C. last year "which has limited our access to answers." They did not provide details of his death.

Police say they decided to release more information, including Hall's death, in the hopes some of the details will jog people's memories. "We're also hopeful that somebody that knows more about Justin Hall may have information that they're willing to bring forward."

Police believe Hall is the only person of interest in Manthorne's disappearance. Police say anyone who may have information that would help locate Amber should go to the RCMP.

It's Not for Planting A Native American gentleman was at the local home improvement store purchasing a few bags of gardening soil. As he waited in line to pay for his bags of dirt, a guy behind him spoke to him. "You gonna do some planting?" The Native American man turned to him and, with a very serious face, said, "No, I am buying my land back one bag at a time and I am getting a receipt this time."

School of Agriculture The school of agriculture's dean of admissions was interviewing a prospective student, "Why have you chosen this career?" he asked. "I dream of making a million dollars in farming, like my father," the student replied. "Your father made a million dollars in farming?" echoed the dean much impressed. "No," replied the applicant. "But he always dreamed of it."
