Community BBQ

Local First Responders will host a community BBQ on Saturday, Dec 21, 12noon-3pm in Spirit Square. Stop by for free hot chocolate, hamburger or hotdog. There will be a vital signs clinic if you wish to know your heart rate, blood pressure and oxygen levels.

Momento at Trinity United Church

Elvis, Tom Jones, Johnny Cash, U2, and Justin Bieber, it's all great music, especially when it's wrapped up the way Jan Bislin & Jonathan Chan do it — with violins. Their group, Momento, is part of the renaissance of music played on violins, like violins have never been played before: ukeles, guitars, percussion & bowed strings, all in one piece of music. A fusion for new times, played by a new generation, for both old & new audiences. Check them out on Spotify: Momento.

NDP & Greens partner on shared values

“British Columbians expect us to work collaboratively to deliver on the most important issues people are facing.

I'm pleased to share that the government and BC Greens have reached an agreement to work together on a specific set of shared priorities: Strengthening health care, building affordable housing, creating livable communities and growing a strong sustainable economy.

We are two distinct parties with two distinct identities, and we won't always agree. We also have many shared values. The agreement lays out specific areas of action we will work together to achieve.

This agreement will strengthen the stability of government and help deliver on the priorities of British Columbians. We will continue to work with all MLAs who want to make the legislature work for people.”

—Premier David Eby

New Nicomen River Bridge complete

The new Nicomen River bridge replaces the previous one, that was damaged by heavy rain & floods in November 2021. Crews have added deep foundations, reinforced the embankment to prevent erosion, and rehabilitated pavement on the bridge approaches. With two lanes open, the temporary single-lane bridge has been removed. The remaining minor work, including erosion mitigations and equipment removal, will continue through the month.

Drivers should expect reduced speed limits & occasional single lane alternating traffic while final tasks are completed.

What did Cinderella say when her photos didn't show up? Some day my prints will come.

My wife left me a note on the fridge saying, “This isn't working.” I'm not quite sure what she's talking about. I opened the fridge door, and it's working fine!

If the King sleeps in a king size bed, and the Queen sleeps in a queen size bed, where does the Prince sleep? On an heir mattress.

THIS WEEK'S HOROSCOPE

Aries

March 21 - April 19

Although you can't delete a negative experience, you can approach the future with an open mind. The Full Moon brings opportunities for healing. Take them, you'll be pleasantly surprised

Taurus

April 20 - May 20

This week brings lots of demands. Don't be afraid of taking the help being offered. It's a busy time of year for you too. You deserve that your needs be met too.

Gemini

May 21 - June 20

Either you'll discover that you're genuinely up against the limit of your abilities. Or you'll make a breakthrough that changes your idea of what's possible. There is also talk of 'discovery.'

Cancer

June 21 - July 22

This week, if you follow your intuition, and respond positively to the options coming your way, you'll make progress to where you want to go.

Leo

July 23 - Aug 22

You'd appreciate some stability right now. The Full Moon marks a turning point. This week, you'll realize that a long-standing problem is in the past. Yay!

Virgo

Aug 23 - Sept 22

In an ideal world, we'd be optimistic in the face of adversity, and cautious when presented with opportunities. This week, if you get the right balance, you'll make an excellent decision.

Libra

Sept 23 - Oct 22

You suspect that someone is being deliberately misleading. And you might be right. But if you hold onto what makes most sense to you, you'll find the clarity you seek.

Scorpio

Oct 23 - Nov 21

Try, this week, to be grateful for what you've got. If you look closely at what's going on, you'll find that despite the craziness, there are positive, solid developments.

Sagittarius

Nov 22 - Dec 21

If you feel as if things are spinning out of control, stop worrying. Just allow them to spin. The next twist in the tale paves the way for a smoother journey forwards.

Capricorn

Dec 22 - Jan 19

This Full Moon week, your priorities will shape the next few days, and the rest of your life. Pick the right goals, the right reasons, and there's no reason why you can't make progress.

Aquarius

Jan 20 - Feb 18

Sometimes it can be right to feel wrong, appropriate to feel inappropriate. This week is leading you towards an enlightened moment that changes the course of your future, in a positive way.

Pisces

Feb 19 - Mar 20

If someone wants your support, give them what they really need. It's your wisdom gained from recent experiences. You've got much more of this than you think.
