Fabulous lilac season!

It's now been a full week since the settler-era lilacs have been in full bloom — and aren't they abundant this year!

According to Andrea Eidinger in *A History of Lilacs in Canada*, (www.unwrittenhistories.com/): "Evanescent and ephemeral, lilacs have been a part of the Canadian landscape for generations. An introduced species, they are a tangible legacy of colonization and settlement. But they are also signposts for lost homes, symbols of innocence, naiveté, and wonder, and landmarks of scientific experimentation. And, as such, they are a metaphor for the contradictory and complex nature of Canadian's past – unwritten histories in the form of a flower."

The Lilac Conspiracy

The Lilac Conspiracy was formed in 2003, in Merritt. The group, primarily resident artists, designers, educators & publishers, wanted to increase the awareness of the heritage lilac bushes which are abundant in the Nicola Valley. These were brought west by settlers, and planted when Europeans first came to the valley, from the mid-1800s to 1911 when Merritt was incorporated as a city. The heritage lilacs consist of the common lilac (*Syringa vulgaris*), dark purple, and double white varieties.

Over the years, the Lilac Conspiracy has provided lilac slips from heritage plants, by donation, as an incentive to propagate them & continue the old stocks in the community.

Lilac Festivals in Merritt

The first lilac festival was held in 2004, in mid-May when the lilacs were bursting with colour & fragrance. It was an art & music event in a heritage warehouse in the downtown area — a huge success with a Bohemian style. The event appealed to those who love the flowers & enjoy art. Festivals were held each year until 2008, but 'lilac awareness' has continued to be promoted in a low-volume underground way ever since. Check out: lilacconspiracy.wordpress.com/

The Merritt Lilac Project

The Merritt Lilac Project began in 2005 with Bill Vander Zalm donating well-started 4'-5' lilac trees to the citizens of Merritt. Over the next several years, more than 5,000 lilacs were planted in our community, thanks to his generosity. With this gift, the variety of lilac trees is greatly enhanced, extending the blooming season by at least 2 weeks.

Now, 20 years on, the BVZ bushes continue thrive in our climate, adding to the beauty of the Merritt lilacs. And at this time of year, you can see one in nearly every yard! If Merritt has a season when it shines, lilac season is it!

More from Lily Tomlin

I can handle reality in small doses, but as a lifestyle, it's much too confining.

Man invented language to satisfy his deep need to complain.

Things are going to get a lot worse before they get worse.

What goes up must come down. But don't expect it to come down where you can find it.

THIS WEEK'S HOROSCOPE

Aries

March 21 - April 19

Don't waste the potential that the cosmos brings your way. If you tap into the Full Moon energy, and think before you act, everything you do can be constructive.

Taurus

April 20 - May 20

This week, reconsider evidence which is making you concerned - you may be creating something in your own mind. There's less reason to worry about than you think.

Gemini

May 21 - June 20

This week, you'll find it easier to focus on the positive. With a more optimistic mindset, you'll attract more support. It will remind you of all that's good in your world.

Cancer

June 21 - July 22

It may appear to have fewer obstacles, and be straight & clear, but it doesn't mean that the journey you've embarked on doesn't have difficulties. Take another look at a project.

Leo

July 23 - Aug 22

This week, the only option is to not to bother trying to fool (or please) anyone. Be true to yourself & the achievements you're hoping for, and you'll find a sense of peace.

Virgo

Aug 23 - Sept 22

This week a tricky situation reaches its climax. But you'll find it easy to stay calm. If you can ride through this storm, you'll be ready to take advantage of a breakthrough insight.

Libra

Sept 23 - Oct 22

With everything you've been dealing with lately, your perspective has been skewed. This week won't be problem-free. But the Full Moon brings positive developments.

Scorpio

Oct 23 - Nov 21

This week, the voice of your inner wisdom will be loud and clear. Follow it, and you'll be able to deal with your current issues and achieve surprisingly good results.

Sagittarius

Nov 22 - Dec 21

You value honesty and sincerity. Good. Because under the Full Moon this week, if you speak from your heart, you can make a decision that changes your destiny.

Capricorn

Dec 22 - Jan 19

This week's Full Moon will have an intensifying effect. Just know that you're capable of dealing with it. You'll emerge stronger, and more confident about the future.

Aquarius

Jan 20 - Feb 18

Is patience really a virtue? With the Full Moon adding intensity, the last thing you need is to sit around twiddling your thumbs. Here comes exciting news you need to act on.

Pisces

Feb 19 - Mar 20

This week it might seem that aspects are more dramatic than they are. But you've got a parachute - luck is on your side. You'll end the week in a great position.
