Ernest "Gordon" Grams

It is with great sadness that we announce the passing of Ernest " Gordon" Grams, known to his friends and family as Gordon, who died on July 9, 2025, in Lima, Peru, at the age of 72.

Born on February 2, 1953, in Atikokan, Ontario, Canada, Gordon's life was shaped by a passion for ice hockey, a brilliant mind for engineering, and an extraordinary sense of humour. Gordon's academic journey led him to the University of British Columbia, where he earned a Bachelor of Applied Science in Mining Engineering in 1977. This degree launched a distinguished career that saw him become a well-regarded figure in the Peruvian mining industry.

From 1989 to 1995, Gordon served as Chief Engineer of Southern Peru Copper Corporation, a testament to his expertise and leadership. His career also included significant roles such as Vice President of Peruvian operations at Vena Resources, Chief Operating Officer at Stellar Mining Peru, and General Manager at Mining Industry Consultant Peru to name a few.

Gordon's life was as diverse as the places he called home, living in communities like Merritt, Vancouver, Williams Lake, Faro, Kelowna, Toquepala, Cajamarca, and Lima. He traveled extensively, touring through Europe, Australia, the Caribbean, and all throughout the Americas. His fluency in both English and Spanish served to further enriched both his personal and professional endeavors.

Gordon was predeceased by his father Ernie Grams, mother Natia Grams, sister, Phyllis Natia Irvine, nephew Travis Grams and his first wife, Susan Barton Grams. He is survived by his beloved second wife, Ana Grams; his sister, Eleanor; his brothers, Stephen and Terence; his two daughters Kate Nicola Mounce and Rae Phoenix Grams; and two grandchildren Doran and Marie Mounce.

Gordon was an incredible character full of fatherly affection, a tenacious spirit, and unforgettable humour.

He will be deeply missed by his family and friends, but his legacy will forever be persevered in our hearts.

There will be a Celebration of Life at his childhood home, 2675 Garcia St., Saturday August 23, 2025 at 11am.

The Wit of Dorothy Parker

Of course I talk to myself. I like a good speaker, and I appreciate an intelligent audience.

The cure for boredom is curiosity. There is no cure for curiosity.

If you don't have anything nice to say, come sit by me.

Time may be a great healer, but it's a lousy beautician.

The first thing I do in the morning is brush my teeth and sharpen my tongue.

The only dependable law of life - everything is always worse than you thought it was going to be.

This is not a novel to be tossed aside lightly. It should be thrown with great force.
