Canadian men's softball team in China

This week, the Canadian Men’s National Softball Team is competing in the World Games at the Xindu Better City Softball Complex in Chengdu, China. The Canadian team is led by the coaching staff of Merritt's own John Stuart, Newfoundlander Les Howey and Peachland's Doug Allin.

After seeing their first game postponed due to unforeseen circumstances followed by a lengthy rain delay before the beginning of the second day of competition, the Canadian Men’s National Team hit the field with a doubleheader, defeating Australia 11-2 on the run rule before dropping a 6-3 decision to the United States after five innings later in the day in a game that was stopped due to darkness and deemed a completed regulation game.

Canada (1-1) returns to action against Singapore (1-1) today, with the winner earning a spot in the semi-finals.

Int'l Day of the World's Indigenous Peoples

The International Day of the World’s Indigenous Peoples is observed every year on August 9 in Canada. This day commemorates the first meeting of the United Nations Working Group on Indigenous Populations, held on August 9, 1982.

This special international day is meant to:

- Celebrate Indigenous Peoples’ contributions to culture, knowledge, language, and environmental stewardship

- Raise awareness about the challenges Indigenous Peoples face, such as dispossession, marginalization, climate threats, and rights violations

- Promote action on global commitments to human rights, reconciliation, and sustainable development that centres Indigenous self-determination

August 9 is a reminder that Indigenous Peoples have the inherent right to self-determine their political status and pursue their cultural, social, and economic development on their own terms. Upholding UNDRIP is not only a matter of international law; it’s a matter of justice, reconciliation, and respect.

What do you call a robot that's designed to row a boat? A row bot.

Guess who I bumped into on my way to the optometrist... Everyone.

Did you hear about Cliff's friends? The were always dropping over.

I asked 5 multimillionaires what the key to their success was. They all said the same thing..... What are you doing in my house?

What's the best way to watch professional fishing? Live stream

Usually I wake up feeling like a million dollars. This morning however.... I woke up feeling like insufficient funds.
