**Garlic Festival biggest yet**  
With more than 100 vendors, the Lower Nicola Garlic Festival maxed out on capacity this past weekend. Even with the windstorm Saturday evening that wreaked havoc with some vendors' tents, most returned for another great Sunday attendance.

**New construction and demolition waste resources for builders, DIYers**  
The new Construction and Demolition Toolkit includes comprehensive guidance on waste diversion strategies, a directory of local recycling and salvage services, and detailed information on local disposal regulations.

Construction and demolition waste makes up approximately 24% of the total waste stream in the TNRD, which is a significant environmental challenge. By sorting materials like wood, metal, and concrete, not only can we divert reusable resources from the landfill, but large projects can also save thousand of dollars in disposal costs.

FMI, contact the TNRD Solid Waste department at 250-377-2596 or recycleright@tnrd.ca, or visit the new Construction and Demolition Waste section of the TNRD website: tnrd.ca/construction-waste

**Rita Rudner quotes**  
You know the oxygen masks on airplanes? I don't think there's really any oxygen. I think they're just to muffle the screams.  
I was going to have cosmetic surgery until I noticed that the doctor's office was full of portraits by Picasso.

THIS WEEK'S HOROSCOPE

Aries

March 21 - April 19

Don't reject what you're hearing this week. But don't act on it yet. Towards the end of the week, you'll gain the clarity you need. Monumental cosmic shifts are heading your way!

Taurus

April 20 - May 20

Take the bold decision to act, others will be inspired to help. The outcome is going to be easier to reach, and much sweeter than you think. Your potential is written in the stars!

Gemini

May 21 - June 20

This week brings good news regarding an ongoing source of concern. It brings insight that enables you to make a change. With a different mindset you'll feel much more in control.

Cancer

June 21 - July 21

Rather than taking on more responsibilities this week, try turning down your emotional response. If you give people space, they'll find a way through this.

Leo

July 23 - Aug 22

This week, by recognizing your natural talents, you'll feel much more optimistic. And that sends out attractive signals. Ready? The universe is sending you a personal invitation!

Virgo

Aug 23 - Sept 22

This week brings a chance to focus on your needs. A gift is on its way. This is a chance to find support from someone who understands, and is prepared to share your load.

Libra

Sept 23 - Oct 22

If you can't see a way past an obstacle, don't panic. This week requires you to summon some patience. If you pause, you'll make space for your inner voice of wisdom to be heard.

Scorpio

Oct 23 - Nov 21

If an important convo needs to take place this week, choose your moment with care. Don't attempt it when you're not at your best. When the moment arrives, you'll know.

Sagittarius

Nov 22 - Dec 21

This week, you can find a way to say 'no'. Giving yourself a break will benefit you. But it will also empower someone to deal with their own problem. And that's a win/win scenario.

Capricorn

Dec 22 - Jan 19

You're anticipating having to deal with a difficult situation that involves several people, you've got the skills required to create a 'happy ever after' type ending with your radiance..

Aquarius

Jan 20 - Feb 18

You've got an important decision to make —your head says one thing, while your heart pulls you in another direction. Trust that you've got the tools you need, for happiness.

Pisces

Feb 19 - Mar 20

This week, use your wisdom to empower someone who's struggling to deal with an emotional challenge. You'll help them reach understanding that enables them to feel happier.
