Cultural burn at Nicola Mameet IR #1

The BC Wildfire Service will be supporting Lower Nicola Indian Band in conducting a cultural burn that is part of a three-year project that started in 2024. The total size of this project is 249 hectares, and the goal for this spring is to burn the remaining 50 hectares, which will complete the project. This burn is located about 6 km west of Merritt, adjacent to Highway 8 and 97C.

Smoke may be visible from the Lower Nicola Community, City of Merritt, Nicola Mameet IR #1 and surrounding areas, and to motorists travelling along Highway 8, 97C, and 5.

The exact timing of this burn will depend on weather and site conditions, but it could begin as early as Monday, March 2. Burning will proceed if conditions are suitable and allow for smoke dispersal during burn operations, though smoke may also linger in the following days.

The goals are to: reduce fuel loading in urban interface areas & protect the community; reduce cured grass to allow for traditional foods and plants to re-establish; improve ungulate grazing; provide a cross training opportunity with the LNIB Fire Dept; and provide an opportunity for the NVIT Fire Ecology Department to see live fire for educational purposes.

Last chance to comment on the budget & 5-year financial plan

Anyone still interested in commenting on the City's 5-year financial plan, the last opportunity is an online survey — the deadline is Feb 28, at midnight.

Go to www.merritt.ca/budget/or the draft financial plan, an overview summary, the link to the survey, answers to frequently asked questions, and recordings of past meetings.

The financial plan bylaw, utility rates bylaw and the property tax bylaw will need to be adopted by mid May.

I confided with my best friend that my girlfriend broke up with me. "Oh no! What happened?" he asked. "I don't know. I asked her what she wanted for a Valentine's Day gift. She said nothing is better than a diamond necklace." "So what did you get her?" "Nothing."

A crafty young bard named McMahon, Whose poetry never would scan, Once said, with a pause, "It's probably because, I'm always trying to cram as many extra syllables into the last line as I possibly can."

Clock. Best time on a clock ? 6.30 . Hands down.
Why do armed robbers always strike at midnight? Hands up!
