**Letter Volunteers are the heartbeat of community**

As Margaret Mead once said, "Never doubt that a small group of thoughtful, committed, citizens can change the world. Indeed, it is the only thing that ever has." One does not have to look far across the Nicola Valley to see the many successful organizations/non-profits/charities-groups that have begun and thrive because of the many dedicated volunteers; that show up to make things happen!

The Nicola Valley Museum and Archives is one of many non-profits that have been running for almost 50 years because of the past and present volunteers. Many dedicated committed, organized, creative, knowledgeable, wonderful people who have showed up throughout the last 50 years to make the museum become what it is today.

One individual in particular that is still an active board member and a valuable knowledge keeper of the museum in endless areas; is Murphy Shewchuk! Murphy has volunteered for 50 years at NVMA. That is beyond amazing and jaw dropping. He's been and continues to be an amazing contributing volunteer.

NVMA currently has 10 board members who together have a combined 141 years (give or take a year or two), of volunteering at NVMA. Murphy ( 50 yrs), Tom (20 yrs), Mary ( 15 yrs), Angele ( 18 yrs), Norbert ( 16 yrs), Jayne (10 yrs), Judy ( 5 yrs), Patty ( 3 yrs), Shelley (3yrs), Paula (1 yr).

As the President of the NVMA, it is with a full heart that I thank the current board for your dedication and teamwork. You are all amazing and are all appreciated so much; sometimes beyond words. NVMA also recognizes all the past volunteers who planted the seed and grew the museum (a strong grassroots beginning) and truly paved the way for future volunteers and the success of our local museum.

I sincerely thank each of our current board members for your time and commitment to NVMA and to the past volunteers who got it all started.

National Volunteer week is April 19-25; such a great time to remember and thank those in our community who volunteer in the many endless ways; volunteers make our community blossom!

In kindness & Appreciation, *Shelley Cressy-Hassel, NVMA President*

Nicola Valley Farmers Market is gearing up for their 2026 season. The first Saturday of the season will be May 9. 9:30am-1:00pm, and then open every Saturday (weather permitting) until October 10th. Interested applicants should begin the process at www.nicolavalleyfarmersmarket.com

**88k/hr over the highest speed limit in BC**

A 43-year-old Mission man has lost the use of his "lifted" Dodge pickup truck after being stopped for speeding well in excess of the highest speed limit in BC.

On April 10, just before 7pm, on the Coquihalla just south of Kamloops, a north-bound pickup truck was stopped when a BC Highway Patrol officer saw the vehicle travelling much faster than other traffic.

"This pickup was hard to miss, with its lifted suspension and a laser radar reading of 208 km/h in a 120 zone," says Corporal Michael McLaughlin with BC Highway Patrol. "No vehicles are safe at those speeds on public roads, but a heavy truck that is high off the ground is even more unstable than other traffic."

To make matters worse, the driver was traveling with his young son.

The driver told police that he was testing his engine. It's an excuse that police officers hear quite frequently, but it is not considered a legal excuse and the driver was issued: for excessive speed (over 60 km/h), section 148(1) of the BC Motor Vehicle Act, with a fine of \$483; The cost of a tow truck and a seven-day impound; At least three years of high-risk driver premiums that will bring the total costs to about \$2,500.

**Pessimist: This couldn't get any worse. Optimist: Oh yes, yes it could!**

**Last week I took the kids to a Childrens Zoo. Last night they escaped and came back home. What's the difference between black eyed peas and chickpeas? Black Eyed Peas can sing us a song while chickpeas can only hummus one.**
