Food Bank pauses monthly hamper distribution

The Nicola Valley Food Bank is temporarily pausing the distribution of monthly hampers due to ongoing 'strain on resources', according to a social media post last Friday. They will be continuing to provide weekly support.

The society said in the post: "Please know that this step is an interim measure. Our hope — and our commitment — is to resume regular hamper service as soon as funding and donations allow us to restock our shelves."

They say that, like many, they are navigating the realities of rising costs and economic pressures. And that they will continue doing everything they can to support those who need them.

- food and energy-rich Brazil & Canada become powerful countries

THIS WEEK'S HOROSCOPE

 Aries March 21 - April 19 This week, how you listen and respond could make more of a difference than you realize. Empathy is powerful. But empathy followed by practical support is even more powerful.	 Taurus April 20 - May 20 This week, the most important conversations are unlikely to be the loudest or the longest, but the calmest and most honest. Then you'll recognize what needs to happen next.	 Gemini May 21 - June 20 If you've been worrying about something you said, did, or didn't do, know that someone special sees the situation more kindly than you. What you thought was a mistake is a turning point.	 Cancer June 21 - July 22 This week, emotional undercurrents become more obvious. You'll be able to offer reassurance rather than analysis or advice. Empathy is one of your strengths.
 Leo July 23 - Aug 22 This week, your emotional responses are more intense. If something meaningful is developing, a plan, a partnership, don't let last-minute nerves make you question yourself.	 Virgo Aug 23 - Sept 22 This week brings the chance for calm, honest, reassuring communication. In close relationships, grand gestures don't matter, but reliability, consistency, and trust do.	 Libra Sept 23 - Oct 22 Time to consider who & what you're prioritizing. This week, a conversation or new idea helps you see things differently. A small realization leads to meaningful change.	 Scorpio Oct 23 - Nov 21 Emotional exchanges carry more depth & meaning than usual. Small gestures, thoughtful words, and effort will be noticed and appreciated. The response will be rewarding.
 Sagittarius Nov 22 - Dec 21 This week, progress comes not from speed but from understanding. Emotional journeys don't respond well to shortcuts. Slow down and listen as much as you speak.	 Capricorn Dec 22 - Jan 19 Reflect on your judgement of someone. Look beneath the surface and listen carefully. An open mind & heart offers possibilities you hadn't considered, that will benefit you both.	 Aquarius Jan 20 - Feb 18 This week reassurance is on its way. A situation isn't as complicated as you thought. As your perspective changes, you'll feel more at ease and your confidence will grow.	 Pisces Feb 19 - Mar 20 This week, your calm & natural compassion can make a real difference and steady a situation that might otherwise become dramatic. With kindness you can strengthen a bond.

Lilac Conspiracy

The Lilac Conspiracy was formed in 2003, in Merritt. The group, primarily resident artists, designers, educators & publishers, wanted to increase the awareness of the heritage lilac bushes which are abundant in the Nicola Valley. These were brought west by settlers, and planted when Europeans first came to the valley, from the mid-1800s to 1911 when Merritt was incorporated as a city. The heritage lilacs consist primarily of the common lilac (*Syringa vulgaris*), dark purple, and double white varieties.

Over the years, the Lilac Conspiracy has provided lilac slips from heritage plants, by donation, as an incentive to propagate them & continue the old stocks in the community.

Lilac Festivals in Merritt
The first lilac festival was held in 2004, in mid-May when the lilacs were bursting with colour & fragrance in Merritt. It was an art & music event in a heritage warehouse in the downtown area — a huge success with a Bohemian style. The event appealed to those who love the flowers & enjoy art. Festivals were held each year until 2008, but 'lilac awareness' has continued to be promoted through art posters during lilac time.

The Merritt Lilac Project
The Merritt Lilac Project began in 2005 with Bill Vander Zalm donating well-started 4'-5' lilac trees to the citizens of Merritt. Since that time, more than 5,000 lilacs have been planted in our community, thanks to his generosity. With this gift, the variety of lilac trees is greatly enhanced, extending the blooming season by at least 2 weeks. The bushes are young still, but continue thrive in our climate. They are an investment that will mature in the years to come!
