Bluebird nest box monitoring

The Vancouver Avian Research Centre's Bluebird Nest Box Monitoring season has been in full swing for the past few weeks across the Merritt area — ranging from Coldwater Valley, Kane Valley, Aspen Grove, Nicola Lake, and Douglas Lake.

Father's Day pancake breakfast

The Merritt Elks will host a Father's Day pancake breakfast, garage/swap meet. Crafters. June 20, 9am-2pm.

Volunteers are finding nest boxes at all stages of the nesting cycle: some still contain beautiful blue eggs, others home to growing nestlings, and several young bluebirds have already successfully fledged and left the nest.

They've also banded many fledglings this season, which helps better understand local bluebird populations and their movements. *Cont'd, over*

What it means to be British. Being British is about driving in a German car to an Irish pub for a Belgian beer, then traveling home, grabbing an Indian curry or a Turkish kebab on the way, to sit on Swedish furniture and watch American shows on a Japanese TV.

A Frenchman walked into a bar with a parrot on his shoulder wearing a tuxedo. "Well isn't he beautiful! the bartender said. "Where did you get him?" "In France, there are tons of them," the parrot replied.

Singing in the shower is fun until you get shampoo in your mouth. Then it just becomes a soap opera.

Lilac Conspiracy

The Lilac Conspiracy was formed in 2003, in Merritt. The group, primarily resident artists, designers, educators & publishers, wanted to increase the awareness of the heritage lilac bushes which are abundant in the Nicola Valley. These were brought west by settlers, and planted when Europeans first came to the valley, from the mid-1800s to 1911 when Merritt was incorporated as a city. The heritage lilacs consist primarily of the common lilac (Syringa vulgaris), dark purple, and double white varieties.

Over the years, the Lilac Conspiracy has provided lilac slips from heritage plants, by donation, as an incentive to propagate them & continue the old stocks in the community.

Lilac Festivals in Merritt
The first lilac festival was held in 2004, in mid-May when the lilacs were bursting with colour & fragrance in Merritt. It was an art & music event in a heritage warehouse in the downtown area — a huge success with a Bohemian style. The event appealed to those who love the flowers & enjoy art. Festivals were held each year until 2008, but 'lilac awareness' has continued to be promoted through art posters during lilac time.

The Merritt Lilac Project
The Merritt Lilac Project began in 2005 with Bill Vander Zalm donating well-started 4'-5' lilac trees to the citizens of Merritt. Since that time, more than 5,000 lilacs have been planted in our community, thanks to his generosity. With this gift, the variety of lilac trees is greatly enhanced, extending the blooming season by at least 2 weeks. The bushes are young still, but continue thrive in our climate. They are an investment that will mature in the years to come!

Whither the Monck
Park payphone?**

Then you saw it; now -you don't - the phone-booth at the corner of the old highway and the turn-off to Monck park. It's gone. Head pay-phone honcho at BC Tel, Dave Black, says it was a pay-phone that didn't pay. "It probably cost us \$10,000 a year to keep that phone," said Black, darkly. "We'd fix it; someone would smash it up." They finally snipped wire on the sucker.

HOWEVER, there will be a pay-phone in the front of Nicola Ranch's new store when it opens (no date yet).
