How to commemorate 5th anniversary of the 2021 flood

Merritt has progressed with rebuilding from the November 2021 flood, and continues working toward a more resilient future. Now City Flood Mitigation organizers are beginning the planning for the 5th anniversary, and they would like to hear from Merritt residents.

"How should our community reflect on this important milestone? Whether it's through storytelling, community art, a legacy project, a photo exhibit, a river walk, or something entirely different, your ideas will help guide future discussions and planning.

This is an opportunity to recognize the strength, resilience, partnerships, and determination that have shaped Merritt's recovery, while creating something meaningful for future generations."

Residents, businesses, community organizations, and everyone connected to Merritt are invited to complete their short survey — find the link at www.facebook.com/groups/merrittflood

For additional questions or comments, email floodmitigation@merritt.ca

Thank you, NV Healthcare Auxiliary

...for their generous donation of \$7500 to Merritt Fire Rescue, toward the purchase of medical equipment required to support the Emergency Medical Assistant Licensing Board's mandatory scope of practice updates.

In the past, the Auxiliary helped fund their AED program, ensuring firefighters have access to critical life-saving equipment when responding to sudden cardiac arrests in our community.

Merritt Fire Rescue posted that "this latest contribution will help us acquire the equipment needed to meet new medical response requirements, allowing our firefighters to provide care within their expanded scope of practice on only the highest-acuity medical calls."

Have some fun - Do some good

Of Shakespeare 'twas said, by the underpraised Ben Jonson, he "hadst small Latin and less Greek." Even smaller Latin has MirrorGuy, and no Greek whatsoever beyond a smattering of menu items such as *souvlakis*, *pita* and *houmos*. So it is that given these deficiencies Mirror-Guy called upon outside help

What do you call a mouse who curses a lot? A Cursor.
I tried to re-marry my ex wife but no luck. She realized I was only after my money.
I burnt my Hawaiian pizza I should have put it on aloha temperature.
I've found women treat me like a god... They turn to me only when they are desperate.
What do you call a couple of chickens fighting over the last edible? Two birds, one stoned.

THIS WEEK'S HOROSCOPE

Aries March 21 - April 19 This week, communication takes centre stage. Yet not every truth needs broadcasting to the entire world. One heartfelt conversation could change everything.	Taurus April 20 - May 20 This week old emotions and memories resurface, reminding you what truly matters to your heart. Meanwhile, you recognize the connections that deserve your energy & attention.	Gemini May 21 - June 20 This week, reflection is key. So, instead of trying to interpret everything, allow yourself to step back. The Full Moon brings clarity around an area of your world that's felt uncertain.	Cancer June 21 - July 22 This week, conversations carry extra emotions. And relationship dynamics are under the spotlight. If someone needs reassurance, trust your instincts about what you need to say.
Leo July 23 - Aug 22 Your natural magnetism is impossible to ignore. Confidence, warmth, and playful charm draw people towards you almost effortlessly. A genuine connection requires more than excitement.	Virgo Aug 23 - Sept 22 Time to consider what you truly want from an important connection. If you're willing to lower your defences & take an emotional risk, you'll love the warmth & closeness that follow.	Libra Sept 23 - Oct 22 This week, stop overthinking and start enjoying what's unfolding in your emotional world. There will be extra sparkle to your friendships, social connections, and romantic possibilities.	Scorpio Oct 23 - Nov 21 This week, you're encouraged to acknowledge the emotional strength, patience & care you've invested in someone. And feelings that you struggle to express... it's about recognition.
Sagittarius Nov 22 - Dec 21 This week, if you find yourself questioning, don't interpret it as weakness. Your confidence and optimism are on the up. And someone is appreciative of your warmth, humour, and honesty.	Capricorn Dec 22 - Jan 19 This week, when relationship dynamics become more reflective and emotionally revealing, don't mistake temporary complications for permanent problems. Clarity will come.	Aquarius Jan 20 - Feb 18 Relationships become a source of encouragement. And don't be surprised to experience more warmth and affection. The atmosphere around you is softening. Here come reasons to smile.	Pisces Feb 19 - Mar 20 This week, go with the flow and trust. If conversations feel charged, don't react, the sense that everything is OK will make space for creativity, playfulness & connection.

Have some fun *cont'd*

in translating the Official Mirror Motto ('Have some fun, Do some good, Combine whenever possible') into Latin. And, the request to 'out hauled in a scholar's offering: *loce beneface quando potest coniunge*.

BUT...! Can this be? M-G, in his fumbling attempt to render the translation, figured that the imperative of either *habere* (to have) or *facere* (to do or make) would play a part ... and *bonum*, you'd think, would be in there someplace (or maybe *caritas*? ?) Nor is this a quibble contrived to avoid the cakepayment promised. If the eminent scholar will re-fax his offering, complete with the corresponding English (thus translating his translation) The Mirror will posthaste meet its obligation.

(You will understand, we're sure, the caution here exercised. Suppose Mirror-Guy accepts the Latin, stitches it upon a sweatshirt, only to later discover it really means "The bearer of this message is an jackass, "What then?" (On the other hand how many would know enough to laugh?))
