More fast EV charging at the Coq summit

With the expansion of its fast-charge site at the Britton Creek Rest Area on the Coquihalla Highway, BC Hydro has surpassed 900 public electric vehicle (EV) charging ports across BC.

The newly expanded Coq site features two 400-kilowatt chargers and two 350-kw chargers, which can add 100km of driving to an average EV in a few minutes, helping drivers get back on the road quickly.

The chargers are designed to maximize access and efficiency. Through power-sharing technology, each unit can serve 2 vehicles at once by splitting output. For example, a 400-kw charger can supply 2 vehicles with 200-kw each. This allows up to 8 EVs to use these 4 chargers at once. The site features chargers equipped with CCS, NACS, and CHAdeMO connectors in various configurations to accommodate a wide range of EVs at most hub locations.

The Lilac Conspiracy

The Lilac Conspiracy was formed in 2003, in Merritt. The group, primarily resident artists, designers, educators & publishers, wanted to increase the awareness of the heritage lilac bushes which are abundant in the Nicola Valley. These were brought west by settlers, and planted when Europeans first came to the valley, from the mid-1800s to 1911 when Merritt was incorporated as a city. The heritage lilacs consist primarily of the common lilac (*Syringa vulgaris*), dark purple, and double white varieties.

Over the years, the Lilac Conspiracy has provided lilac slips from heritage plants, by donation, as an incentive to propagate them & continue the old stocks in the community.

Lilac Festivals in Merritt

The first lilac festival was held in 2004, in mid-May when the lilacs were bursting with colour & fragrance in Merritt. It was an art & music event in a heritage warehouse in the downtown area — a huge success with a Bohemian style. The event appealed to those who love the flowers & enjoy art. Festivals were held each year until 2008, but 'lilac awareness' has continued to be promoted through art posters during lilac time.

The Merritt Lilac Project

The Merritt Lilac Project began in 2005 with Bill Vander Zalm donating well-started 4'-5' lilac trees to the citizens of Merritt. Since that time, more than 5,000 lilacs have been planted in our community, thanks to his generosity. With this gift, the variety of lilac trees is greatly enhanced, extending the blooming season by at least 2 weeks. The bushes are young still, but continue thrive in our climate. They are an investment that will mature in the years to come!

Filming cont'd

scenes with simulated gunfire, and intermittent loud "popping" sounds.

It is unconfirmed whether this is the same production that was filming around town and near Princeton the last couple weeks — *Idyllwild*, a feature film written & directed by Kate Zenna and Paula Tiberius and starring Gil Bellows.

This was the production that film scouts posted looking for extras, in late Spring. They filmed at City Hall, in Quilchena Square, and at the AP Guest Ranch.
